

1 **WHEREAS**, childhood obesity has more than doubled in children and tripled in
2 adolescents in the past 30 years; in 2010, more than one-third of children and adolescents were
3 overweight or obese; and

4 **WHEREAS**, there are also economic costs. In 2006, for instance, overweight and
5 obesity-related costs in California were estimated at almost \$21 billion; and

6
7 **WHEREAS**, tooth decay, while not as life threatening as diabetes or obesity, still has a
8 meaningful impact, especially on children. In fact, tooth decay is the most common childhood
9 disease, experienced by over 70% of California's 3rd graders. Children who frequently or
10 excessively consume beverages high in sugar are at increased risk for dental cavities. Dental
11 problems are a major cause of missed school days and poor school performance as well as pain,
infection, and tooth loss in California; and

12 **WHEREAS**, based on the findings set forth above, the purpose of this Ordinance is to
13 diminish the human and economic costs of diseases associated with the consumption of sugary
14 drinks by discouraging their distribution and consumption in Albany through a tax. Specifically,
the purpose of this ordinance is to tax the distribution of sugary drinks and the products used to
15 make them; and

16 **WHEREAS**, this Ordinance is not intended for the purpose of regulation; and

17 **WHEREAS**, this Ordinance does not authorize the conduct of any business or activity in
18 the city, but merely provides for the taxation of distribution of specified products as it occurs;
and

19
20 **WHEREAS**, this Ordinance imposes a general tax on the distribution of sugar-sweetened
21 beverages such as high-calorie, low-nutrition products, like soda, energy drinks, and heavily
22 presweetened tea, as well as the added caloric sweeteners used to produce these sugar-sweetened
beverages, such as the premade syrup used to make fountain drinks. Certain drinks containing
23 sugar are exempted, including infant formula, milk products, and natural fruit and vegetable
juice; and

24 **WHEREAS**, this Ordinance provides for a small business exemption for Retailers who
25 transport sugar-sweetened beverage products into the City themselves and then sell those
products directly to consumers; and

26
27 **WHEREAS**, this general tax will provide revenue to be available for the general
governmental needs of the people of Albany.

28

22 Sugar-sweetened beverage, the regular practice of the Distributor.

23 c. The tax shall be paid upon the first nonexempt Distribution of a Sugar-sweetened beverage
24 product in the City. To the extent that there is a chain of Distribution within Albany involving
25 more than one Distributor, the tax shall be levied on the first Distributor subject to the
26 jurisdiction of the City. To the extent the tax is not paid as set forth above for any reason, it shall
27 be payable on subsequent Distributions and by subsequent Distributors; provided, that the
28 Distribution of Sugar-sweetened beverage products may not be taxed more than once in the chain
of commerce.
