Get your gear up and ready to celebrate the International Walk and Roll to School Day on Wednesday, October 7, 2009! There will be snacks and fruit at your elementary school. If you walk or roll to school every day, congratulations! You are helping yourself and the environment. If you do not roll or walk to school everyday, there are ways you can reduce pollution and traffic around the schools, like parking a couple of blocks away and walk to your school. If you have the option, just try walking or rolling that day and you will be joining children around the world who walk and roll to school. Come on, let’s do it!

If you are interested in leading a Walking School Bus, or having your child participate in a Walking School Bus at your school contact Susan Silber at (510) 740-3150, ext.323.
