PRESS RELEASE

UPDATE: HOMICIDE INVESTIGATION

March 11, 2015

At approximately 4:00 p.m. on Monday March 9, 2015 Albany Police responded to a residential apartment at 1068 Kains Avenue on a report of an unconscious woman. She had been discovered by a relative who came to check on her and found her lying on her apartment floor. Paramedics responded and pronounced the victim deceased.

The victim has been identified as 37 year-old Albany resident Randhir Kaur.

Albany Detectives are investigating this as a homicide resulting from a single gunshot wound. The Alameda County Coroner's Office conducted an autopsy on Wednesday March 11, 2015 and will report the official cause of death when complete.

Detectives are actively following up on leads, but as of this press release, no suspects have been identified and the motive remains unknown.
