RE: RESOLUTION NO 2017-9

Dear Council Members:

I am aggrieved that the City of Albany is considering sanctuary city status. It’s my belief that this measure is illegal and endangers the residents of the City and those in surrounding areas.

Please see my footnotes regarding the resolution.

Personally, I don’t want to see persecution of people who are here and striving to obtain citizenship or are just living ordinary lives. I just don’t want illegal aliens who are conducting criminal activity to be able to evade detection and detention and I don’t want my city’s name in the article talking about the local person’s victimization at the hands of one of those people.

Also, I would ask that the Council respect the fact that not all residents are of one mind and give those of us who don’t toe the line of liberal orthodoxy as much credit for being part of the community of Albany as illegal aliens. There are many here who will not speak up because people in the area are very hostile to different viewpoints.

WHEREAS, the City of Albany is committed to recognizing the dignity and civil rights \(^1\) of all of its community members, including the right of all community members to live, work, and study in a City that does not subject them to prejudicial treatment or discrimination; and

WHEREAS, members and friends of immigrant\(^2\) communities across the country, including members of our community, may be experiencing fear or anxiety resulting from potential changes to federal immigration laws and enforcement policies; and

WHEREAS, on November 21, 2016, the City of Albany City Council reaffirmed its commitment to inclusion and appreciation for Albany’s diverse community, stating, “We, the members of the Albany City Council, recognize that many in our community are hurting and fearful as a result of the recent national election. Thus, we would like to take this opportunity to reaffirm that we welcome and value all of our diverse community members regardless of where they are from, who they love, how they worship, how they look, their abilities, or how they vote. We invite the entire Albany community to join with us in creating a safe and welcoming city; one in which we celebrate our differences and learn from each other; one in which we are proud to raise our children\(^3\)”; and

WHEREAS, the Albany Police Department recently presented information to the City

\(^1\) Civil rights are granted by a nation; human rights are those presumed to be the right of all despite nationality.

\(^2\) Immigrants are legal. People here illegally are more properly termed “illegal aliens”. Conflating the two is misleading.

\(^3\) The City of Albany does not appreciate people with diverse viewpoints. A number of people are happy about the outcome of the “recent national election” but are fearful of expressing their opinions about this and other matters.

4 Again, use of the word immigrants! Immigrants are those who are here legally; illegal aliens are not. Immigrants deserve civil liberties under our laws and Constitution; illegal aliens are due human rights and are not protected by our laws and Constitution except to the extent that human rights are protected.
5 This “affirmation” is in violation of Federal Law and damages the trust that local citizens have that they will be protected by police.
6 Again, violation of Federal Law and improper usage of the word “immigrant”.
7 “Whereas” the City of Albany ignores the rights of lawful citizens in favor of illegal aliens and fails to uphold Federal law.
WHEREAS, the City of Albany City Council desires to continue to demonstrate its commitment to all of our community members by declaring that the City of Albany is a Sanctuary City.  

NOW, THEREFORE, BE IT RESOLVED, by the Albany City Council as follows:

1. The City of Albany hereby declares that it is a Sanctuary City and reaffirms its commitment to protect the rights of all people in our community; and,

2. The City Manager shall report to the City Council requests or mandates from the federal government for use of City resources to enforce federal immigration laws.

3. City of Albany officials, employees and agents shall require a judicial warrant prior to detaining an individual or in any manner prolonging the detention of an individual at the request of U.S. Immigration and Customs Enforcement (ICE) or Customs and Border Protection (CBP).

4. City of Albany officials, employees and agents shall not arrest, detain, or transport an individual solely on the basis of an immigration detainer or other administrative document issued by ICE or CBP, without a judicial warrant.

5. Unless acting pursuant to a court order or a legitimate law enforcement purpose that is unrelated to the enforcement of a civil immigration law, no City official, employee or agent shall permit ICE or CBP agents access to City facilities or any person in the City of Albany custody for investigative interviews or other investigative purposes.

---

This statement is incorrect because it fails to take into consideration people who oppose Sanctuary City status and some people feel that their safety is compromised by such a move.
6. To the extent ICE or CBP has been granted access to City facilities, individuals with whom ICE or CBP engages will be notified that they are speaking with ICE or CBP, and ICE or CBP agents shall be required to wear duty jackets and make their badges visible at all times while in City facilities.

7. City of Albany officials, employees and agents shall not inquire into the immigration or citizenship status of an individual, except where the inquiry relates to a legitimate law enforcement purpose that is unrelated to the enforcement of a civil immigration law, or where required by state or federal law to verify eligibility for a benefit, service or license conditioned on verification of status.

8. No City of Albany official, employee or agent shall voluntarily release personally identifiable data or information to ICE or CBP regarding an inmate’s custody status, release date or home address, or information that may be used to ascertain an individual’s religion, ethnicity or race, unless for a law enforcement purpose unrelated to the enforcement of a civil immigration law.

9. No City of Albany official, employee or agent shall authorize or engage in the human or technological surveillance of a person or group based solely or primarily upon a person or group’s actual or perceived religion, ethnicity, race or immigration status.

10. Any person who alleges a violation of this Resolution may file a written complaint for investigation with the City of Albany.

11. No City of Albany official, employee or agent shall interrogate, arrest, detain or take other law enforcement action against an individual based upon that individual’s
perceived race, national origin, religion, language, or immigration status, unless such personal characteristics have been included in timely, relevant, credible information, linking a specific individual to a particular criminal event/activity. ⁹

4-12. Albany understands and accepts its obligation to comply with Federal law. Nothing in City of Albany policies is intended to violate 8 U.S.C. Section 1373 and 8 U.S.C. Section 1644; and

2. In accordance with current State and Federal law, City of Albany officials, including its police officers, shall not actively collaborate with federal agents solely for the purpose of enforcing federal immigration law and shall not use City resources or personnel to investigate, question, detain, apprehend, and/or register persons based solely on a civil violation of federal immigration law; and

3. City of Albany officials, including its police officers, shall not take any direct action against any individual based solely on their actual or perceived immigration status; and

4. City of Albany officials will not use any public resources to participate in any federal program requiring the registration of individuals on the basis of religious affiliation, race, national or ethnic origin, gender, gender identity or sexual orientation if such registration contains any information that may reveal the identity of an individual; and

5-13. The City of Albany will continue to review its policies to ensure that they reflect

⁹ Illegal aliens have already conducted a criminal activity by entering the country unlawfully. Granted, unlawful entry is only a misdemeanor but it should be the job of law enforcement to determine whether there has been more than one entry, which advances the entry to a felony, or any other criminal activity including but not limited to domestic violence, theft, robbery, burglary, fraud or assault.
Albany's status as a Sanctuary City, as well as compliance with the United States and California Constitutions and the mandates of federal and state law; such review may include the possibility of revision to other City policies such that they comply with the spirit and intent of this Resolution.
