I. INTRODUCTION

The City of Albany lies on the northwestern corner of Alameda County, California, bordered by the cities of El Cerrito and Richmond on the north, the City of Berkeley on the east and south side, and by unincorporated Kensington in Contra Costa County on the north and east. The City of Albany was incorporated in 1908, and at the time of the 2010 census had a population of 18,500 residents. Albany is known for the excellent quality of its K-12 school district, and small town ambiance in an urban setting.

The City Council consists of five members elected at-large to four year terms. Annually the City Council selects one of its members to serve as Mayor and another as Vice Mayor. Council Members may not serve more than two consecutive terms without a break in service of at least two years. The Office of the City Treasurer is also an elected official that serves a four year term without term limits.

The City is comprised of the following departments: Fire, Police, Finance, Public Works, Community Development, Recreation & Community Services, and the Administration Department including Information Technology, City Clerk, Community Media, City Attorney, and City Manager.

The City is seeking assistance from a qualified consulting firm to help inform the decisions of the City Council in developing measures for the November 2018 ballot by way of conducting an unbiased, statistically reliable evaluation of Albany voters’ interests, assess the feasibility of placing a revenue measure on the 2018 ballot, and determine how best to develop a measure to meet the interests of the community.
