SUBJECT: Proposed Amendments to Chapter 5, Section 5-24 of the Albany Municipal Code, Tobacco Retailer License, to Establish Minimum Package Sizes and Minimum Prices for Certain Tobacco Products – Second Reading, Pass-To-Print

REPORT BY: Nicole Almaguer, City Manager
Craig Labadie, City Attorney

SUMMARY

The City Council has directed the City Attorney to bring forward a proposed ordinance establishing minimum package sizes and minimum prices for certain tobacco products within the City of Albany.

STAFF RECOMMENDATION

BACKGROUND/DISCUSSION

At its meeting on April 1, 2019, the City Council introduced Ordinance No. 2019-04, amending Chapter 5, Section 5-24 of the Albany Municipal Code, Tobacco Retailer License, to Prohibit the Sale of Flavored Tobacco Products, effective on October 16, 2019. At that time, the Council reached consensus on monitoring State Legislature on tobacco products and adding additional restrictions such as minimum pack sizes or minimum prices by way of a separate ordinance in the future. On April 15, 2019, the City Council adopted Ordinance No. 2019-04 and gave direction to the City Attorney to bring forward an ordinance establishing minimum package sizes and minimum prices for certain tobacco products as soon as possible.

The attached proposed Ordinance reflects technical input from ChangeLab Solutions, a public health nonprofit organization which provides technical assistance to cities regarding the regulation of tobacco products. The model ordinance produced by ChangeLab Solutions includes provisions intended to discourage availability of tobacco products to underage youth. These recommended provisions include minimum pack sizes for cigars and cigarillos, as well as minimum prices for tobacco products. Cigarettes already have a minimum pack size pursuant to State law. The
proposed Ordinance would take effect six months after adoption, in order to provide tobacco retailers sufficient time to sell their existing inventories of non-complying products.

**FINANCIAL IMPACT**

If the proposed ordinance is adopted, there will be some expenditure of staff time for outreach and education to tobacco retailers during the initial implementation phase, and some time commitment for ongoing enforcement thereafter. The City may experience a small reduction in retail sales tax revenues. These impacts on staff time and City revenues are not expected to be significant.

ORDINANCE NO. 2019-05

AN ORDINANCE OF THE ALBANY CITY COUNCIL AMENDING CHAPTER 5 OF THE ALBANY MUNICIPAL CODE, SECTION 5-24, TOBACCO RETAILER LICENSE TO ESTABLISH MINIMUM PACKAGE SIZES AND MINIMUM PRICES FOR CERTAIN TOBACCO PRODUCTS

WHEREAS, tobacco use remains a leading cause of preventable death in the United States, and tobacco use can cause or contribute to many forms of cancer, as well as heart disease and respiratory diseases, among other health disorders; and

WHEREAS, 90% of adult smokers begin smoking before the age of 21; adolescence is the period when smoking behaviors are typically developed, making it particularly important to discourage tobacco use during this critical period of human development; and

WHEREAS, although adult cigar use has declined, cigar use by young men and teenage boys has continued to increase; and

WHEREAS, cigar products are often sold in small packs with product names designed to be attractive to young people, and many of these small packs are available at low price points, and with discounts or coupons, which adds an additional appeal for price-sensitive underage youth who often have limited disposable income; and

WHEREAS, establishing minimum package sizes for cigar products and minimum pricing for cigarettes and cigar products will make it less convenient for underage youth to purchase such products and start on the pathway to lifelong addiction.
NOW, THEREFORE, THE ALBANY CITY COUNCIL ORDAINS AS
FOLLOWS:

SECTION 1: CHAPTER 5 OF THE ALBANY MUNICIPAL CODE, SECTION
5-24 TITLED “TOBACCO RETAILER LICENSE” IS HEREBY AMENDED AS
FOLLOWS:

**Self-service display** shall mean the open display or storage of tobacco product or tobacco paraphernalia in a manner that is physically accessible in any way to the general public without the assistance of the retailer or employee of the retailer and a direct person-to-person transfer between the purchaser and the retailer or employee of the retailer. A vending machine is a form of self-service display.

**Tobacco paraphernalia** shall mean Any item designed or marketed for the consumption, use or preparation of tobacco products.

d. Lawful Business Operation. In the course of tobacco retailing or in the operation of the business or maintenance of the location for which a license has been issued, it shall be a violation of this section for a licensee, or any of the licensee's agents or employees, to:

1. Violate any local, State, or Federal law applicable to tobacco products, tobacco paraphernalia, or tobacco retailing.

2. Violate any local, State, or Federal law regulating exterior, storefront, window or door signage.

manufacturer, or any employee or agent of a tobacco retailer or manufacturer has: (1) made a public statement or claim that the tobacco product imparts a characterizing flavor; (2) used text and/or images on the tobacco product’s labeling or packaging to explicitly or implicitly indicate that the tobacco product imparts a characterizing flavor; or (3) taken action directed to consumers that would be reasonably expected to cause consumers to believe the tobacco product imparts a characterizing flavor.

all items for the San Francisco-Oakland-Hayward statistical area as reported by the United States Bureau of Labor Statistics or any successor to that Index.

SECTION 2: CONSTRUCTION AND SEVERABILITY.

It is the intent of the City Council of the City of Albany to supplement applicable State and Federal law and not to duplicate or contradict such law, and this Ordinance shall be construed consistently with that intention. If any provision of this Ordinance, or its applicability to any person or circumstance, is for any reason held to be invalid or unenforceable, such invalidity or unenforceability shall not affect the validity or enforceability of the remainder of this Ordinance, or its applicability to any person or circumstance. The City Council of the City of Albany hereby declares that it would have adopted each provision of this Ordinance, irrespective of the fact that any one or more provisions might be declared invalid or unenforceable.

SECTION 3: PUBLICATION AND EFFECTIVE DATE.

This ordinance shall be posted at three public places within the City of Albany and shall become effective six months after the date of its posting. The City Council finds and determines that six months is a sufficient amount of time for tobacco retailers to sell their existing inventories of tobacco products which do not meet the minimum package size and minimum prices specified herein and come into compliance with this Ordinance.
