Mayor Pilch reported he attended Alameda County Transportation Commission's (ACTC) Planning, Policy and Legislation Committee meeting. The East Bay Community Energy (EBCE) Board will meet Wednesday evening.

7-3. City Council Meetings and Events

Vice Mayor McQuaid reported she attended a Housing Authority of Alameda County meeting, a 2x2x2 meeting, the Mayors’ Conference, and a webinar regarding Census 2020.

Mayor Pilch reported he attended the 2x2x2 meeting, the Mayors’ Conference, and a Business Resiliency meeting and participated in conference calls regarding the COVID-19 situation.

8. CITY MANAGER REPORT

City Manager Almaguer reported Public Works crews have been filling potholes, painting curbs, and clearing tree wells. The City's contractor and City staff have removed graffiti along Solano Avenue. Sewer cleaning and inspection work in the northeastern section of the City is scheduled to begin on April 27 and to be complete by the end of May. The City's contractor for a large pothole project will begin work on May 4 and complete work in two weeks. The work is essential, and staff will wear masks and practice social distancing. The Senior Center has responded to 1,237 phone calls and delivered about 1,400 meals, 150 bags of groceries, and essential items to 16 addresses since March 17. Staff continues its robust outreach program and has prepared a virtual program for Earth Day. Council Members are preparing videos for the community.

Council Member Nason appreciated staff keeping the waterfront open to the public.

9. PRESENTATION

9-1. Annual Financial Statements and Annual Audit for FY 2018-19

Staff recommendation: that the Council:
1. Receive presentation of the results from the City's independent auditor's examination of the City's financial reports for fiscal year ending June 30, 2019; and
2. Accept and file the reports

Finance Director Heather Rowden presented the staff report.

Sheldon Chavan, Chavan and Associates, explained the management's discussion and analysis (MD&A), government-wide financial statements, fund financial statements, notes to financial
statements, required supplementary information, and supplementary information. At his recommendation, the annual financial report does not include the MD&A because data for the prior two years is not reliable. The financial statements reflect an unqualified opinion, which means the numbers are reliable. Mr. Chavan highlighted information from the financial statements, including total assets of $119 million, total net position of $51.5 million, pension liability, and other postemployment benefits (OPEB). The audit report reflects no exceptions in audit opinions, material weaknesses, significant deficiencies, no significant passed-on adjustments, no disagreements with management, most significant estimates, and most significant disclosures.

Finance Director Rowden reported a physical inventory of all capital assets was conducted in February 2020. The auditor and software vendor will assist staff in developing a procedure for closing the fiscal year. Cash reconciliations have been completed and are up to date. Long-term debts have been entered into Munis and are being tracked, and a long-term debt schedule has been prepared. Staff is tracking and monitoring grants, and the software vendor will modify its grant and project modules so that staff can track and manage grants in Munis. Procedures have been implemented for credit card transactions, receipt forms, receipt of invoices, daily cash count reports, reconciliation of RecTrack and the general ledger, and deposit of checks. Staff will present a request to the Council to close self-insurance internal service funds and move monies from them to the General Fund. These actions have been taken or will be taken in response to audit findings.

A summary of Council comments is as follows: concern regarding the lack of a narrative for public consumption given a Comprehensive Annual Financial Report (CAFR) has not been prepared; a suggestion to develop a narrative or interpretation of City finances for the public; perhaps staff can prepare a narrative so that the public can understand the financial information; the annual financial report indicates the issues that caused the lack of financial information; the Finance Department needs to focus on the financial impacts of the public health emergency rather than reiterating information in the audit report; a suggestion to utilize the staff report as the narrative so that staff can focus on the budget; a suggestion to post the staff report and the financial report on the City website.

MOTION:
Moved by Vice Mayor McQuaid, seconded by Council Member Nason, to accept and file the results from the City's independent auditor's examination of the City's financial report for fiscal year ending June 30, 2019 and to direct staff to post the staff report, the auditor's presentation, and the annual financial report on the City website.
AYES: Council Members Barnes, Maass, and Nason, Vice Mayor McQuaid, Mayor Pilch
NOES: None
Motion carried and so ordered.
