August 2020 Recommendations

Georgia Aquarium
Jump into a wide variety of underwater animal experiences with multiple live web cameras. Encounter a wide variety of different species from the comfort of your own home.
Click HERE for to explore.

San Diego Zoo
From your home, you can hang with koalas, march with penguins, and soar with condors by enjoying the zoo’s different animal cams. Each category will give you the option to learn more about the animals seen, their habitat, and how the zoo works to help them thrive.
Click HERE for their live cameras.

Bird Watching at The Cornell Lab
In one virtual outing, enjoy bird watching experiences that would normally require you to travel all over the North America. Identify songs and sounds from over 600 different species.
Click HERE to observe.
Click HERE for to access their bird guide.
