ORDINANCE NO. 08-07
AN ORDINANCE OF THE ALBANY CITY COUNCIL EXTENDING
AN INTERIM URGENCY ORDINANCE OF THE CITY OF ALBANY
RESTRICTING AND/OR PROHIBITING, SUSPENDING AND/OR DENYING
ANY PERMITS FOR, OR OTHERWISE RESTRICTING THE APPROVAL
OF TOBACCO RELATED ESTABLISHMENTS AND SUSPENDING FOR A
PERIOD NOT TO EXCEED FORTY FIVE (45) DAYS, THE ISSUANCE OF
PERMITS, APPROVALS, OR OTHER ENTITLEMENTS WHICH WOULD
RESULT IN THE OPENING OF ANY TOBACCO RELATED
ESTABLISHMENTS WITHIN THE CITY OF ALBANY

WHEREAS, Albany City Charter Section 2.06 and Government Code
Section 65858 provide for the adoption as an urgency measure of interim ordinances
for certain expressed purposes and by a vote of four-fifths (4/5) majority of the voting
City Council members; and

WHEREAS, on May 19, 2008 the City Council adopted Urgency Ordinance
No. 08-04 establishing an emergency 45-day moratorium on the issuance of permits,
approvals, or other entitlements which would result in the opening of any tobacco
related establishments within the City of Albany; and

WHEREAS, the 45-day moratorium will expire on July 3, 2008; and

WHEREAS, the legislative process by which any proposed permanent
amendments to the City’s regulations can be adopted requires public hearings before
the Planning and Zoning Commission and the City Council, the completion of which
cannot occur prior to July 3, 2008; and

WHEREAS, the City of Albany’s Community Development Department is in
the process of studying and drafting proposed amendments to the City’s regulations in
regards to tobacco establishments for review and approval by the Planning and
Zoning Commission and the City Council; and

WHEREAS, a notice of public hearing to consider extending the urgency
measure for an additional ten (10) months and fifteen (15) days has been placed in a
newspaper of general circulation in Albany and posted in three (3) public places
throughout the City; and

WHEREAS, under the Albany Municipal Code, a question has been posed
whether tobacco related establishments may be approved; and

WHEREAS, the City Council finds that an extension of the urgency
ordinance for ten (10) months and fifteen (15) days would provide adequate time for
public review of proposed options to regulate tobacco related establishments, and for
Planning and Zoning Commission and City Council consideration and adoption of an
appropriate ordinance therefore, while the moratorium remains in effect; and
WHEREAS, Section 65858(a) of the California Government Code permits the City Council to extend this interim urgency ordinance for an initial period of ten (10) months and fifteen (15) days; and

WHEREAS, the City Council held a duly and properly noticed public hearing on July 7, 2008, pursuant to Section 65090 of the California Government Code and applicable City requirements, to take public testimony about the extension of this interim urgency ordinance; and

WHEREAS, the City Council finds that it would be detrimental to the public health, safety and welfare of the City to allow the establishment and approval of any tobacco related establishments until such time as the Planning and Zoning Commission, the City Council, and the public have had an opportunity to determine the appropriate regulation of such facilities within the City of Albany; and

WHEREAS, Government Code §65858 allows, without following the procedures otherwise required prior to the adoption of a zoning ordinance, the City Council to protect the public safety, health and welfare, by adopting as an urgency measure an interim ordinance prohibiting the approval of any application for the approval of a tobacco dispensary facility within the City of Albany.

NOW, THEREFORE, THE ALBANY CITY COUNCIL DOES HEREBY ORDAIN AS FOLLOWS:

Section 1: Purpose and findings.
Tobacco related establishments are not currently mentioned in the City of Albany Zoning Ordinance. The City of Albany has recently become aware of interest in locating such a use within the city. With the recent adoption of Ordinance #08-03, prohibiting smoking in or around workplaces, recreational areas and other places, the community has shown concern regarding the impacts of smoking within the city. Unregulated locating of tobacco related establishments may be in conflict with the public health, safety and welfare. Thus, in view of the facts set forth in this ordinance, it is necessary to immediately study, hold public hearings, and consider an amendment of the City’s Zoning Ordinance and the adoption of restrictions or regulations as they may be recommended to the City Council by the Planning and Zoning Commission. A comprehensive set of restrictions and regulations cannot be enacted without due deliberation, and it will take an indeterminate length of time to create the potential restrictions. It would not be in keeping with the proposed restrictions if, during the period they are being studied and are the subject of public hearings, parties seeking to evade the operation of these restrictions in the form which may be adopted should be permitted to operate in a manner which might progress so far as to defeat in whole or in part the ultimate objective of those restrictions. As a result, it is necessary to, in accordance with Government Code Section 65858, to extend for a period of ten (10) months and fifteen (15) days the 45-day moratorium on the establishment and operation of new tobacco related establishments in the City
pending the completion of the City’s study of potential impacts and possible
amendments to the City’s Zoning Ordinance.

Section 2: Interim Suspension of Permits, Approvals, or Other Entitlements.
Notwithstanding any other provisions of the Albany Municipal Code or any
other ordinances or regulations of the City of Albany to the contrary, no permits,
licenses, or other applicable entitlements for use, which has as its result the final
approval or allowance of tobacco related establishments within the City of Albany,
shall be granted or approved by any employee, department or commission of the City
for a period of ten (10) months and fifteen (15) days immediately succeeding the
effective date of this ordinance, unless appealed or extended by a later enacted
ordinance.

Section 3: Immediate threat to health, safety and welfare.
Based on the findings herein, this ordinance is adopted pursuant to California
Government Code §65858 and is required to address a current and immediate threat
to the public health, safety and welfare. The City Council has determined that
granting additional land use approvals or building permits for tobacco related
establishments would result in a threat to the public health, safety and welfare.

Section 4: Amendments to Ordinance.
The City Council by ordinance after notice of public hearing, by the
affirmative vote of at least four-fifths (4/5) of the voting City Council Members may
modify, amend, delete or add to this ordinance upon a finding that such action will
implement and enforce the goals, policies, and purposes of this ordinance.

Section 5: Waiver.
The City, on a case by case basis, shall have the authority, upon a showing of
good cause by an applicant, to waive the interim prohibition/moratorium imposed by
this ordinance and allow for the granting of permits to said applicant pursuant to the
shall mean a factual and evidentiary showing by the applicant that the interim
prohibition/moratorium, if not waived, will deprive the applicant of substantially all
reasonable use of his/her property. All such applications for waiver shall be filed with
the City Community Development Department. Fees for waiver applications and
associated appeals shall be the same as those charged for a Conditional Use Permit.

Section 6: Urgency Ordinances: Extension.
This interim urgency ordinance shall by operation of law be of no further
force and effect ten (10) months and fifteen (15) days from and after the date of this
adoption on July 7, 2008; provided, however, that after notice of public hearing the
City Council Members may by a four-fifths (4/5) of the voting City Council Members
extend this interim or urgency ordinance for a further period of time up to one (1)
year.
Section 7: Urgency Ordinances: Findings.
This ordinance is declared to be an urgency ordinance of the City of Albany for preserving the public health, safety and welfare. The reasons for the urgency in connection with this ordinance are herein set forth and incorporated by reference in the findings contained and set forth hereinabove.

The City Council further finds and declares that the adoption of this interim ordinance is necessary to protect the public health, safety or welfare of the community in that inquiries to open tobacco related establishments have has been presented to the Community Development Department and at the present time there are no Albany regulatory requirements in effect regarding tobacco related establishments. It is in the best health, safety and welfare interests of the City, to establish an application process that provides the City with information concerning the impacts of tobacco related establishments and regulations that restrict where and how such facilities can be put into service.

Section 8: Severability.
If any section, subsection, sentence, clause or phrase of this ordinance is for any reason held to be invalid, such decision shall not affect the validity of the remaining portions of this ordinance. The City Council hereby declares that it would have adopted the ordinance and each section, subsection, sentence, clause or phrase thereof irrespective of the fact that any one or more sections, subsections, sentences, clauses or phrases be declared invalid.

Section 9: Urgency Measures: Effective Date.
This ordinance is hereby declared to be an urgency measure and shall be enforced and be in effect immediately upon its adoption.

Section 10: Publication.
Within fifteen (15) days after adoption, this ordinance shall be circulated with the names of the members voting for and against the same at least once in a newspaper of general circulation in the City of Albany, and posted in public places within the City.
