**Project Description**

Hopsy is a small startup with a big mission: to give access to better beers. We’re building a community of beer enthusiasts ordering fresh draught beer directly from local craft brewers. Neighborhood by neighborhood, we want to bypass the supermarket and make fresh, real beer more accessible than ever before.

There are more than 3,500 microbreweries in the US, but consumers only have access to a small fraction of them in traditional retail. Ironically, access to local micro-breweries in retail is very limited as shelf space is trusted by larger brands. The solution for micro-breweries is to self-distribute to local bars and to sell beer to go in growlers at the brewery.

Hopsy is a beer retailer (Type 20 ABC – Off sale beer and wine) dedicated to local craft brands. We will facilitate access to local brands by sourcing directly from the producers and selling growlers of fresh draft beer.

We are both a brick and mortar retailer, based in Albany, and an online marketplace, delivering to the home.

In addition to a large selection of local craft beers, we will carry a selection of beer accessories such as glasses, coasters, t-shirts and books. We won’t offer on premise consumption of food or alcohol.

Number of employees: 4. Hours of operation: 10 am to 10 pm from Monday to Sunday
