RESOLUTION NO. 2016-41

A RESOLUTION OF THE ALBANY CITY COUNCIL AUTHORIZING THE CITY MANAGER TO EXECUTE AN AGREEMENT WITH BAUER COMPRESSORS OF SAN FRANCISCO FOR THE PURCHASE OF ONE (1) MINI UNICUS/8-E3 SCBA COMPRESSOR UNIT

WHEREAS, the Fire Department has been protecting its firefighters with self-contained breathing apparatus (SCBA) to wear during all types of fires and hazardous incidents for decades; and

WHEREAS, the Fire Department has relied on a private contractor to refill the SCBA equipment during normal working hours, and/or after hour/emergent need support from surrounding fire departments over the years; and

WHEREAS, of all bordering cities, Albany is the only fire department not prepared to support its own breathing air needs with a compressor; and

WHEREAS, due to an increase in training, a higher level of awareness to potentially hazardous events prompting increased use and new equipment, there is a need for the Fire Department to obtain a SCBA compressor unit to be retained on site.

WHEREAS, funds to purchase the compressor are included as budgeted 2015/16 balances and reimbursements received by the Fire Department.

NOW, THEREFORE, BE IT RESOLVED, that the Albany City Council hereby authorizes the City Manager to execute an agreement with Bauer Compressors of San Francisco for the purchase of one (1) Mini Unicus/8-E3 SCBA compressor unit for the purchase price of $31,005 including tax, delivery, installation and training.
