Do you approve the modifications of Sections 2.01, 2.02, 5.01, 5.02, and 5.03 of the City Charter, as is fully set forth in the voter pamphlet, to provide for the electors of the City to directly elect the mayor beginning at the general election in 2012 and to provide for term limits for the mayoral position?

The people of the City of Albany modify Sections 2.01 through 2.02 of the City Charter to read as follows:

**SECTION 2.01. LEGISLATIVE DEPARTMENT. THE COUNCIL.**

The Council is the legislative body of said City and shall consist of the mayor and four (4) council members all to be five (5) persons elected at large, which body shall be known as the Council. All members of the Council, including the Mayor, shall have the right to vote on all matters coming before the Council.

The members of the Council shall be elected by the qualified voters of said City at a general Municipal Election to be held therein every even-numbered year as hereinafter provided. At the meeting when the election results of a general Municipal election are presented to the Council as being duly canvassed and certified by the county, the qualified persons shall then be inducted into office. A person elected to the City Council shall hold office for a period of four (4) years from the day of his or her their induction and until their successors are elected and qualified. A person elected, unless otherwise removed from office, is entitled to serve a four-year term from the date of induction.
Effective upon the election of the Mayor in 2012, the Council as thus newly constituted shall then elect one of its members as Vice Mayor, its presiding officer, who shall have the title of Mayor. The Council shall also designate one of its members as Vice-Mayor. The Vice-Mayor shall perform the duties of the Mayor during his or her absence or disability. The officially so chosen Vice Mayor shall hold their respective offices subject to the pleasure of the Council.

Each member of the Council shall receive a compensation of Five Dollars ($5.00) for each meeting attended, provided, however, that a councilmember shall not receive more than Twenty-Five Dollars ($25.00) in any one month, except as otherwise provided by Section 46 of this Charter. Members of the Council shall not be eligible to any other office or employment with the City, other than as in this Charter expressly provides.

No person not an elector of the City shall be eligible to hold office as a member of the City Council, and no person shall be eligible for nomination for such office without having been a resident of the city for thirty (30) days immediately preceding nomination.

(Amended, ratified, April 13, 1976; November 5, 1996)

This section shall be effective and implemented for and as of the November, 2012 election.

SECTION 2.02. LIMITATION ON TERMS.

Any person who shall have served two (2) successive terms as a council member member of the Council shall be ineligible to serve again as a council member in the office until an intervening period of two (2) years has elapsed, but may seek election and serve
as Mayor without being ineligible until an intervening period of two (2) years has elapsed.

For the purposes hereof, any person who serves as a council member for two (2) years or more of an unexpired term, or two (2) years or more of an elected term, shall be considered to have served a term.

Any person who shall have served two (2) successive terms as Mayor shall be ineligible to serve again in the office of Mayor or as a council member until an intervening period of two (2) years has elapsed. For the purposes hereof, any person who serves as Mayor for two (2) years or more of an unexpired term, or two years or more of an elected term, shall be considered to have served a term. In no event shall any person be eligible to serve for more than sixteen consecutive years (16) in any combination of Mayor or council member terms.

Nothing in this section shall preclude a council member who has served two successive terms in that position to seek election for the office of Mayor.

This section shall be effective and implemented for and as of the November, 2012 election May, 1984.

SECTION 5.01. ELECTIONS.

General Municipal Elections shall be held in the City to coincide with the State General Election.

The candidate receiving the highest number of votes for the office of the Mayor of the City shall be elected to such office, provided that such candidate receives a least fifty percent (50%) plus one of the votes cast for the position of Mayor. In the event that no candidate for Mayor of the City receives at least fifty percent (50%) plus one of the votes cast for Mayor, the City Council shall provide for a run-off vote to determine the person
elected. The City Council shall adopt an ordinance establishing a run-off system. The run-off system may include mailed ballots, an instant run-off voting system when such technology is available to the City, or a special run-off election. The ordinance setting for the run-off system may be amended from time to time for any reason, but no amendment to the ordinance may take effect less than one hundred three (103) days prior to any municipal election.

If at any general municipal election, one (1) or more council member, whose term of office will not expire as of the election, and who would be required to vacate the office of council member if elected to the office Mayor, files as a candidate for the office of Mayor, the following procedure will be used to fill the contingent vacancy in the office of council member that would arise if the sitting council member were elected Mayor: To the extent legally possible, and unless otherwise modified by ordinance, the ballot for the office of council member, the official election materials and voter information pamphlet shall notify the voters that they may cast ballots for not more than three (3) candidates for the office of council member, that at least two (2) Council offices shall be filed by election, and that if a council member whose term of office will not expire as of the election is elected to the office of Mayor, the vacancy in the office of that council member shall be filled by the candidate for council member receiving the third highest number of votes at the same municipal election.

Except to the extent otherwise provided by ordinance hereinafter enacted, all elections shall be in accordance with the provisions of the Elections Code of the State of
California, as the same now exists or hereafter be amended, for the holding of elections in cities so far as the same are not in conflict with this Charter.

This section shall be effective and implemented for and as of the November, 2012 election.

SECTION 5.02. VACANCIES.

A vacancy in any elective office, other than that of an elective member of the Board of Education, from whatever cause arising, shall be filled by appointment by the Council; such appointee to hold office until the next general municipal election, when a successor shall be chosen by the electors for the unexpired term; provided, that if the Council fails to agree or for any other reason does not fill such vacancy within thirty (30) days after the same occurs, then such vacancy shall be filled by the Mayor and further provided if the vacancy to be filled is that of the Mayor, then the City Clerk shall call a special election at once to fill the vacancy of the unexpired term of the Mayor; provided, however, that if for any reason the seats of a majority of the Council shall become vacant, then the City Clerk shall call a special election at once to fill the vacancies for the unexpired terms, and the same shall be conducted substantially in the manner provided for general municipal elections.

If any officer of the City shall remove from the City or absent himself or herself therefrom for more than sixty days consecutively without the permission of the Council, or shall fail to qualify, or shall resign, his office shall thereupon become vacant.
This section shall be effective and implemented for and as of the November, 2012 election.

SECTION 5.03. PROVIDING FOR ELECTION OF MAYOR OFFICERS MADE ELECTIVE BY THIS CHARTER.

Within thirty (30) days after this Charter takes effect, the City Council shall call an election, to be held within thirty (30) days thereafter, for the election of a City Attorney, a City Judge, and a Chief of Police who shall hold office until the third Monday in April, 1930, and until their successors are elected or appointed and qualify. The first election of the Mayor shall be held at the State General election that coincides with the election for the President of the United States that occurs in November, 2012.

   of the City Council. Appointees shall be notified of such cause, in writing, at least

PROPOSED MODIFICATIONS TO SECTION 4.03 OF THE CITY CHARTER

Do you approve the modification of Section 4.03 of the City Charter, as is fully set forth in the voter pamphlet, to provide that the City Council shall by ordinance set threshold limits for the requirements for formal competitive bidding and shall establish such other procedures as are necessary for undertaking the completion of any public projects?

| YES | NO |

The people of the City of Albany modify Section 4.03 of the City Charter to read as follows:

Section 4.03 CONTRACT WORK

As used in this section, 'public project' means:

(a) A project for the erection, improvement, and repair of public buildings and works.

(b) Work in or about streams, bays, waterfronts, embankments, or other work for protection against overflow.

(c) Street or sewer work, except maintenance or repair.

(d) Furnishing supplies or materials for any such project, including maintenance or repair of streets or sewers.

The City Council shall by ordinance set threshold limits for the requirements for formal competitive bidding and shall establish such other procedures as are necessary for undertaking the completion of any public projects.
When the expenditure required for a public project exceeds the applicable limit under the general laws of the State of California, or such lower limit as established by ordinance of the City Council, it shall be contracted for and let to the lowest responsible bidder after notice.

It shall be unlawful to split or separate into smaller work orders or projects any public work project for the purpose of evading the provisions of this section requiring public work to be done by contract after competitive bidding.

The notice inviting bids shall set a date for the opening of bids. The first publication or posting of the notice shall be at least ten (10) days before the date of the opening of bids. Notice shall be published at least twice, not less than five (5) days apart, in a newspaper of general circulation published in the City, or if there is none, it shall be posted in at least three (3) public places in the City that have been designated by ordinance as the places for posting public notices. The notice shall distinctly state the project to be done.

In its discretion, the Council may reject any bids presented and readvertise. If two (2) or more bids are the same and the lowest, the Council may accept the one it chooses. If no bids are received the Council may have the project done without further complying with this section.

After rejecting bids, the Council may pass a resolution by a four-fifths vote of its members declaring that the project can be performed more economically by day labor, or the materials or supplies furnished at a lower price in the open market. Upon adoption of
the resolution, it may have the project done in this manner stated without further complying with this section.

If there is a great public calamity, as an extraordinary fire, flood, storm, epidemic, or other disaster, or if it is necessary to do emergency work to prepare for a national or local defense, the Council may pass a resolution by a four-fifths vote of its members declaring that the public interest and necessity demand the immediate expenditure of public money to safeguard life, health, or property. Upon adoption of the resolution, it may expend any sum required in the emergency without complying with this section.
