A. All work shall comply with applicable codes and standards as adopted by The City of Albany, Contra Costa County and the State of California, requiring but not limited to the following:

- 1. All work shall comply with the City of Albany Building Code, the Contra Costa County Building Code, and the State of California Building Standards Code.
- 2. All work shall comply with the City of Albany Electrical Code and the State of California Electrical Code.
- 3. All work shall comply with the City of Albany Fire Code and the State of California Fire Code.
- 4. All work shall comply with the City of Albany Plumbing Code and the State of California Plumbing Code.
- 5. All work shall comply with the City of Albany Mechanical Code and the State of California Mechanical Code.

B. Building and any portion of the work shall be designed and constructed in accordance with the approved plans and specifications of the architect and/or engineer. Any deviation from the approved plans and specifications shall require written approval of the architect and/or engineer before proceeding with the work.

C. Any change in the plans or specifications shall be made in writing and approved by the architect and/or engineer.

D. All work shall be done in accordance with the City of Albany and State of California Building Codes, and the State of California Fire Code, unless otherwise specified in the plans and specifications.

E. All work shall be done in accordance with the City of Albany and State of California Plumbing Code, and the State of California Mechanical Code, unless otherwise specified in the plans and specifications.

F. All work shall be done in accordance with the City of Albany and State of California Electrical Code, and the State of California Fire Code, unless otherwise specified in the plans and specifications.

G. All work shall be done in accordance with the City of Albany and State of California Mechanical Code, and the State of California Building Standards Code, unless otherwise specified in the plans and specifications.

H. All work shall be done in accordance with the City of Albany and State of California Fire Code, and the State of California Building Standards Code, unless otherwise specified in the plans and specifications.

I. All work shall be done in accordance with the City of Albany and State of California Building Codes, and the State of California Fire Code, unless otherwise specified in the plans and specifications.
