CITY COUNCIL ADMINISTRATIVE POLICY: FEE WAIVER REVIEW POLICY

Proposed addition (underlined) to Section VI of the Albany City Council Administrative Policies:

VI. FINANCIAL REPORTS, BUDGET AND FEE POLICY

Prior to adoption of the budget, the City Council will receive a financial report from the City’s Finance and Administrative Services Director. This report will contain revenue and expenditure projections, projected fund balances and fund transfer information. Budget revisions or updates will occur at approximately six-month intervals, if necessary. The City Council must approve all budget revisions that change the initial fund appropriations. All fees will be assessed and collected by the City Staff, in accordance with the most current Master Fee Schedule as adopted by the City Council.

Every year, the City shall receive an Annual External Audit. The Finance and Administrative Services Director will schedule this audit as an agenda item for City Council review and approval. The Finance and Administrative Services Director or designee will submit a staff report summarizing the auditor’s findings and the general financial condition of the City for the audit period.

City staff shall make every effort to collect all City fees. However, on rare occasion, waiver of a fee for hardship, miscommunication or to rectify a problem may be necessary. The City Manager, Finance & Administrative Services Director, City Treasurer and Community Development Director or their respective designees may waive fees including penalties and interest (if applicable) up to $1,000 provided that a written explanation as to why the fee is being waived is submitted to the Finance and Administrative Services Department. Fee Waivers in excess of $1,000 require approval by both the City Manager and the Finance & Administrative Services Director in the manner outlined above.
The City Council shall be the decision-making body for fee, permit, and license waiver requests from local community groups. When reviewing a fee waiver request, the City Council shall consider factors such as: (1) if the event advances one or more of the City Council’s Strategic Plan Goals; (2) if the event is open to the general public; (3) if the nature of the event is compatible with its location; and (4) if safeguards are in place to avoid adverse impacts and to ensure safety of participants and the surrounding community. Prior to taking action, the City Council will be given an analysis of fees to be waived, and any other costs that may be incurred by City staff. City sponsored events shall be exempt from fee and license requirements.
