* When the Recreation and Community Services Department must provide personnel, equipment services, or supplies that would not otherwise be provided, the user group or organization will be charged for these services. Personnel will be charged back on an hourly basis. This charge will include wage, benefits, employer expenses, and any other expense directly related to the employment of personnel. The amount of hours billed will include set-up, take down, and actual event time or scheduled rental time, whichever is greater. Equipment services and supply charges will be billed to the user group or organization at the City's direct cost of goods. User groups or organizations must provide their own event insurance or purchase event insurance from a qualified insurance company.

**NOTES:**

1. For parcels with additional non conforming uses, the charge will be based upon the ERU for the use code plus the sum of the ERU for each non conforming use.
2. \( n \) = number of residential units less than or equal to 5.
3. \( m \) = number of residential units greater than 5.
4. ERU = Equivalent Residential Units
5. Vacant or Parking Lot assumes no sewer service

* The rate for unclassified sewer service shall be based upon a comparison with the reasonable estimated sewage discharge for an equivalent (single-family) residential

Effective July 1, 2008
unit (ERU). According to the City's sewer system consultant, the estimated wastewater flow contribution per ERU is 168 gallons per unit per day. Assuming 70% of the water consumed by a ERU is 168/0.7 or 240 gallons per unit per day, the monthly rate for unclassified use shall be calculated as the average metered consumption in gallons per month for the preceding 12 month period divided by 240 x 365/12.

Consumer Price Index - annual average distributed by the Bureau of Labor Statistics (BLS) for the Consolidated Metropolitan Statistical Area covering San Francisco - Oakland - San Jose. (2007 = 3.3%)

Resolution #07-37 approved by Albany City Council, July 2, 2007, increases the sewer Service charge by $8 for the next successive three years (2007/08 through 2009/10 and continues the CPI until 2017.
