Kids' Carpentry Camp
AGES 5-12
Kids have enjoyed working with wood and learning how to use hand tools in Kids' Carpentry since 1982. Boys and girls are encouraged to develop problem-solving skills while building their own cool projects using applied math and fractions. They are also introduced to a wide range of woodworking hand tools, safety, and craftsmanship. Projects include super-tops, boats, clocks, games, doll furniture, bird-feeders and many other projects to choose from. Our goal is to empower the students to become independent thinkers! This program may be taken year round with different projects offered each session. Our motto is: “Building confidence and teaching with respect and humor in a safe and happy environment.”

Improv and Theater Games
AGES 9-13
“With improv, it’s a combination of listening and not trying to be funny…” Kristin Wig
During this week, campers will be introduced to basic concepts of comedy improv such as “yes and” (enthusiastically accepting what is offered), “group mind” (listening to each other and working as a team) and “space object work” (miming objects and environments). Using warm-up exercises and improv “structures”, they will be encouraged to trust their instincts, think on their feet and actively support each other (it is said that a good improviser is one who makes their teammates look good rather than themselves). They will also laugh a lot!

### Girls Who Code
**Ages 10–14**

New in Albany…Girls Who Code! GWC is a national nonprofit organization working to close the gender gap in the technology and engineering sectors. Did you know in middle school, 74% of girls express interest in Science, Technology, Engineering and Math (STEM), but when choosing a college major, just 0.4% of high school girls select computer science?

Girls explore coding in a fun, supportive and friendly environment. In addition to learning Computer Science, participants get exclusive access to Girls Who Code challenges, events, and speakers. Club members meet weekly and are taught by trained female volunteer facilitators. No experience necessary—curriculum is designed for students with a wide range of coding experience. Small, cooperative, fun classes will focus on various writing strategies from pre-writing and organizing ideas to drafting, revising and publishing a class magazine. The series is cumulative and will build on previous lessons, including those taught in the Creative Writing Summer Lab!

Kids’ Carpentry

AGES 5–12

Kids have enjoyed working with wood and learning how to use hand tools in Kids’ Carpentry since 1982. Boys and girls are encouraged to develop problem-solving skills while building their own cool projects using applied math and fractions. The kids are also introduced to a wide range of woodworking hand tools, safety and craftsmanship. Projects include: super tops, boats, clocks, games, doll furniture, bird feeders, trucks and many other projects to choose from. Our goal is to empower the students to become independent thinkers! This program may be taken year-round with different projects offered each session. Our motto is: “Building confidence and teaching with respect in a safe and happy environment.”

Film and Story Workshop

AGES 10–15

Bring your creative license and explore the possibilities of written expression! In these classes, we discuss different narrative elements and forms as we approach writing with a creative instinct and critical eye. Genre experimentation, improvisational composition, and exemplary prose and poetry guide us on our literary journey. These classes are fun, engaging, and inspiring and designed to help teens discover new vistas for self and creative expression. Each session, the instructor will introduce new ideas and assignments so that returning students can explore fresh material and new students can feel welcome. The curriculum is adapted to the composition, experience, and general disposition of each class of students. But the spirit and intention of every session is the same: to provide a safe, encouraging, and dynamic space for reflection, inspiration, and connection.

Fall Lacrosse League

AGES 6–14

Berkeley Lacrosse Club offers developmental and competitive opportunities for all players in Grades 1–9. The Fall Ball program is an excellent opportunity for new players to learn the basics of lacrosse and begin to develop stick skills. Returning players will keep their stick skills sharp while improving their lacrosse IQ through targeted instruction. All players will be organized into teams based on age and skill for small-sided scrimmages and fast-paced game action each week. Reversible pinneys are included. All players will need to either provide proof of an active US Lacrosse membership or bring a $30 materials fee to the first class. Visit our website at www.berkeleylacrosse.org for important scholarship and league information.

Girls: The girls lacrosse game is a game of finesse, skill, and athleticism. A girl’s lacrosse stick, protective goggles and mouthguard are required for participation, with gear rental available through BLC. Visit the gear page at www.berkeleylacrosse.org for details.

Boys: The boys lacrosse game allows for an increasing degree of physical contact as players mature. A full set of protective gear (helmet, shoulder pads, elbow pads, gloves, athletic cup and mouthguard) along with a boys lacrosse stick, are required for participation. Low cost gear rental is available through BLC. Visit the gear page at www.berkeleylacrosse.org for details.

Free to Move: Expressive Movement & Rhythm for Brain & Body Health
AGES 50–OLDER
Motion is Lotion! It’s an essential balm for surviving troubled times. You need this class! Come ease your pains and stiffness and return to a fuller sense of yourself, joining the lively company of Albany Senior Center’s resident creative movers, Impromptu No Tutu featured last fall on KDFC’s Neighborhood Spotlight. Our passion is to inspire the joy of movement in all ages and abilities. Guided by the creative processes of Orff Schulwerk, this class will free you up on all levels—to play, interact and explore the expressive language of movement, sharpening both physical and mental agility. We warm up with simple elements of the Brain Dance* and Tai Chi, then respond to diverse genres of music, voice or silence, as well as inspirations from art and nature. Chairs and other imaginative props are used to expand range of motion and balance. Class members are welcome to suggest music and movement ideas so that the class experience is collaborative.

One Friday a month, during the school year, children from the Albany Preschool next door join us for half an hour. We also occasionally tour to schools and other senior centers to demonstrate healthy aging through movement. Call the Center before dropping in so you know where to find us. Fee is per class.

Memoir Writing

Students read their own writings to the class for its criticism and evaluation. The teacher adds another voice, pointing out basic principles and approaches to effective non-fiction prose. The idea is to make our memoir writing as vivid and effective as it can be so that it will not be filed somewhere in the dark, but will be read and re-read with enjoyment by children, grandchildren, and even by strangers yet unborn. No one is required to read out loud, or to withhold other kinds of writing, which are welcome. We try for a low-pressure, respectful atmosphere in which embarrassing events and deep emotions may be safely exposed.

Fall into Haiku

Do You Do Haiku?

This fall, the Albany Arts Committee is organizing the 3rd Annual Fall into Haiku program that decorates city sidewalks with original haiku written by people who live or work in Albany.

Haiku is a form of Japanese poetry written in three lines, 17 syllables, in a 5/7/5 syllable count.
See page 64 for full details.

ABOUT THE GALLERY

The Albany Community Center Art Gallery is supported by the City of Albany and managed by the Albany Arts Committee. The Arts Committee sponsors four solo shows per year. Each exhibit runs for approximately three months in the Community Center Foyer Gallery. A special thanks to two local businesses—La Vie en Rose and Design-a-Sign, who generously contribute to each show. The Arts Committee is now accepting submissions for shows between January–December 2019. Submission deadline is August 20, 2018 and shows will be selected in September. Please note that group shows are not accepted. For information about the application process visit www.albanyca.org/arts.

Albany Community Center

It's the Albany Clothing Swap…only bigger and better! Not one, not two, but three awesome opportunities in one event.

The Swap: Arrive promptly at 1 pm to exchange your clean, usable, clothes for some “new to you” clothes; bring your friends and neighbors and your washed, gently worn items to our fabulous swap room where clothing will be set out by type (pants, shirts, dresses, etc.) and size! Choose items and take them home. We have mirrors, but no dressing rooms, so plan accordingly. Leftovers are donated to charity. All clothing sizes welcome.

The Sew: Bring fabric items you want to mend, your sewing machine if you have one (we will have some available) and any sewing notions you need or want to donate (thread, buttons, patches, pins, etc.) Coaches from Swap-o-rama-rama (http://www.meetup.com/Bay-Area-Swap-O-Rama-Rama/) will be on hand to consult on repairs to your favorite fabric/textile items and to teach you to sew or to help reacquaint you with your sewing machine!

The Fix: Bring your sewing machine if it needs repair or a tune-up or if you need help (re) learning to use it. We’ll help you get back to sewing!

Fall into Haiku

Do You Do Haiku?
This fall, the Albany Arts Committee is organizing the 3rd Annual Fall into Haiku Program that decorates city sidewalks original haiku written by people who live or work in Albany.

Haiku is a form of Japanese poetry written in three lines, 17 syllables, in a 5/7/5 syllable count.
The theme of the haiku will be “Urban Nature.” Submissions that are selected will be printed on sign boards and installed in the city’s commercial district November–December.

You do not need to be a published poet, just someone who enjoys writing haiku! All ages are welcome.
Submissions accepted from August 15–October 1. A Haiku event (sharing & writing) will take place on October 1 from 6–8 pm at the Community Center.
See www.albanyca.org/haiku for details.

DIVERSITY BOOK DRIVE
September 21–29, 2018
Drop Book at Albany Community Center

Girl Scout Troop 30119 is installing a mini free diversity library at the new Loop (Portland Avenue under the BART tracks) and would like your help in contributing to our book drive.

We are collecting books representing diverse authors, characters, and themes. We are doing this to increase people’s awareness of diverse voices and characters. People in the Black, Latino, Indian, Asian, LGBTQ+, and other communities tend to lack the role models that are necessary to move forward.

We believe that books can either be mirrors or doors; mirrors reflecting yourself, and doors opening you to new people and worlds. We can learn from one another, but first we need a level of understanding about each other.

Please drop off books at the Albany Community Center, during Albany Local Week, September 21–29.

**Ocean View Community Organic Garden weekly “Open Garden”**

Sundays • 11 am–1 pm

The Ocean View Community Organic Garden serves Albany citizens who live in apartments or condos with little space to grow food. We strive to foster a spirit of community, with gardeners growing and sharing organic fruit, produce, herbs, and flowers. The garden is located in Ocean View Park at 900 Buchanan Street behind the tennis courts. Join us during our “Open Garden” on the 2nd and 3rd Sundays of the month (March–October) from 11 am–1 pm, whenever the garden gates are open. Alameda County Master Gardeners work in the garden and answer questions on the 1st and 3rd Thursdays of each month from 10:30 am–noon (weather permitting).
The Friends of Albany Parks program encourages community members to get involved with the care, maintenance and beautification of their favorite neighborhood park.

Park Gala events provide social gatherings geared toward developing ideas for park improvement and getting residents involved with park maintenance. They help foster a better sense of community and build social capital as neighbors meet and work together. The Galas also provide an opportunity to volunteer for specific park maintenance tasks.

Friends of Albany Parks members will meet for a Clean-Up Day after the Gala. Each member who attends the Clean-Up Day will receive an official Friends of Albany Parks T-shirt.

For more information contact Brennen Brown, bbrown@albanyca.org or visit www.albanyca.org/volunteer.

Special thanks to the Albany Community Foundation, Volunteers from the Memorial Park Edible Garden, Friends of Albany Hill, TASH, CRFG, Love the Bulb and Friends of Five Creeks for their partnership.

Alameda County Master Gardeners work in the garden and answer questions on the 1st and 3rd Thursdays of each month from 10:30 am–noon (weather permitting).

Albany’s Volunteer Corps was established to match qualified volunteers with various City departments in need of assistance for special projects, events and day-to-day tasks. Volunteers gain hands-on experience in City government, serve their community, develop a sense of community pride, enhance the City’s programs in a cost-efficient manner, establish a sense of teamwork and meet other community members.

Listed below are some of the events and projects where you can lend a hand throughout the year. For more information and specifics contact Brennen Brown at bbrown@albanyca.org or visit albanyca.org/volunteer.
