A. MEETINGS

A-1. REGULAR MEETINGS

TIME AND LOCATION

The City Council shall hold regular meetings the first and third Monday of each month at 7:30 p.m. in the Council Chambers of the City Hall, 1000 San Pablo Avenue, Albany, or at such other place within the city limits such as the City of Albany Community Center, 1249 Marin Avenue, Albany or alternative location as necessary. The established regular meeting start time of 7:30 p.m. is included in City Council Resolution No. 2009-01. If by reason of fire, flood, or other emergency, it shall be unsafe to meet in the City Hall, the meetings may be held for the duration of the emergency at its designated alternative location, or such other place as is designated by the Mayor or by four (4) members of the City Council. When the day for any regular meeting falls on a legal holiday or an observed religious holiday, no meeting shall be held on such holidays; the meeting shall be moved to the following day, unless the City Council selects another day for the meeting during the week.

COUNCIL CHAMBER CAPACITY

City Council Chamber attendance shall be limited to the posted seating capacity thereof. Entrance to the City Hall will be appropriately regulated on occasions when the Council Chamber capacity is likely to be exceeded. While the Council is in session, members of the public shall not remain standing in the Council Chamber except to address the Council, and sitting on the floor shall not be permitted. The Council proceedings may be conveyed by loudspeaker or video screen to those who have been unable to enter the Council Chambers.

ALTERNATE FACILITIES FOR COUNCIL MEETINGS

In the event that there is reason to anticipate that the attendance for a meeting will be substantially greater than the capacity of the City Council Chambers and viewing area in the City Hall foyer, the Mayor in collaboration with the City Manager shall have the authority to authorize that a Council meeting be held at a facility other than the City Council Chambers.

Acceptable alternative meeting locations include but are not limited to the City of Albany Community Center at 1249 Marin Avenue.
A-2. **ADJOURNED MEETINGS**

Any meeting may be adjourned to a time, place and date certain. Once adjourned, the meeting may not be reconvened. The City Clerk shall post the meeting adjournment notice immediately following the action by City Council.

A-3. **SPECIAL MEETINGS**

Special meetings may be called at any time by the Mayor, or by three (3) members of the City Council, by delivering, personally or by mail/email, written notice to each Council Member and to each local newspaper of general circulation, radio or television station requesting notice in writing. Such notice must be delivered, personally or by mail, at least twenty-four (24) hours before the time of such meeting as specified in the notice. The call and notice shall specify the time and place of the special meeting and the business to be transacted. No other business shall be considered at such meetings.

Light fare will be provided to Council Members in situations where special closed session meetings are held before the Regular Meeting time of 7:30 p.m. On occasion, food may also be provided at study sessions or other special meetings of the City Council.

Special meetings may also be in the form of a public workshop or study session on a matter that requires additional analysis, or that would benefit from a more informal meeting setting to allow for added dialogue on matters of community interest. The City Manager shall coordinate the with the Mayor regarding the planning and scheduling of any City Council public workshops/study sessions.

A-4. **MEETINGS TO BE PUBLIC**

All regular, adjourned and special meetings of the City Council shall be open and public, provided, however, the City Council may hold executive sessions, for which the public may be excluded in accordance with State law. Some examples include:

(a) **Personnel Matters** (Section 54957, Government Code) To consider appointment, employment, evaluation of personnel, or dismissal of a public employee or to hear complaints or charges brought against such employee by another person or employee unless such employee requests a public hearing. The Council may exclude from any such public or closed session, during the examination of a witness, any or all other witnesses in the matter being investigated.
(b) **Pending and Potential Litigation** (Section 54956.9, Government Code) To confer with, or receive advice from, its legal counsel regarding pending litigation when discussed in open session concerning those matters which would prejudice the position of the City in the litigation. The City Council may also discuss in closed session threatened lawsuits where there are articulable facts justifying the belief that a lawsuit may be filed against the City. The City Council may also discuss matters pertaining to the initiation of a lawsuit.

(c) **Employee Matters** (Section 54957.6, Government Code)

To consider the salaries, salary schedules, or compensation paid in the form of fringe benefits of the City’s represented and unrepresented employees. The City Council may meet in closed session with its labor negotiator or other appropriate staff person.

(d) **Real Property Negotiations** (Section 54956.8, Government Code)

The Council may hold a closed session with its negotiator prior to the purchase, sale exchange, or lease of real property by or for the City of Albany to give instructions to its negotiator regarding the price and terms of payment for the purchase, sale, exchange or lease.

A-5. **ATTENDANCE**

Council Members are expected to attend all meetings of the City Council. Should a circumstance arise to which a Council Member must teleconference, the location from which the Council Member is teleconferencing from shall be clearly denoted on the posted meeting agenda. Council Members unable to attend any meeting should notify the City Clerk as far in advance of the meeting as possible. Such notification shall constitute an excused absence.

A-6. **QUORUM**

Three (3) members of the Council shall constitute a quorum and shall be sufficient to transact regular business. If less than three (3) Council Members appear at a regular meeting, the members present may adjourn the meeting to a stated day and hour. The Clerk shall cause a written notice of the adjournment to be delivered personally to each Council Member at least three (3) hours before the adjourned meeting.

Three (3) affirmative votes are required to adopt any ordinance, resolution, or claim against the City. But a majority suffices for a motion (G-I), and an Urgency Ordinance takes four (4) affirmative votes.
A-7. ADJOURNMENT

Per City Council Resolution No. 2009-01, no Council meeting shall continue past 10:30 p.m. unless a two-thirds majority of the Council votes to extend the meeting to discuss specified items; and any motion to extend the meeting beyond 10:30 p.m. shall include a list of specific agenda items to be covered. Any items not completed at a regularly scheduled Council meeting shall be continued to the next regular meeting or by a two-thirds majority vote of the Council to an adjourned regular meeting.

A-8. RECESS PERIOD

A recess period shall be in effect during the month of August of each year and between December 23 and 31, unless the need for meeting to consider time sensitive matter(s) arises, as determined by the Mayor, City Manager, or majority of City Council Members.

The City Manager shall be granted discretion to act on matters related to City Council during the course of said recess period. The City Manager shall report on any such matters via email to the Council Members, and at the first regular meeting following the recess.

B. AGENDA

B-1. PREPARATION OF AGENDA

The Clerk shall prepare the agenda. Each item on the agenda shall contain a brief description of the issue and action to be taken. Whenever feasible, each item on the agenda should contain a staff recommendation and/or a recommendation from a City Council advisory body.

The agenda, together with all reports pertaining thereto, should be delivered electronically to the Council Members prior to 5:00 p.m. on the Wednesday preceding the regular meeting. Exceptions may be made when the regular meeting falls on a Tuesday, or the City Manager and/or Mayor determine an additional day is needed to compile the necessary information. The agenda for regular meetings shall be made available to the public as soon as practical, but no later than 72 hours in advance of the meeting. No matters other than those listed on the agenda shall be finally acted upon by the Council, provided, however, that
matters not on the agenda, but deemed to be of important or urgent nature by any Council Member, the City Manager or the City Attorney, may be submitted for Council consideration and action by 2/3 vote (or unanimous vote if less than 2/3 are present).

**Procedure for Bringing Matters Before the City Council**

Any Council Member may request items of business for the City Council agenda, and the Mayor shall accommodate the requests subject to the timing of availability of space on Council agendas. Items of business may also be placed on the agenda by the City Manager or the City Attorney.

Council Member requests for agenda items and associated written materials are to be submitted to the Mayor and City Manager by the Friday before the Wednesday posting of the agenda.

**Procedure for Advisory Bodies Bringing Matters Before the City Council**

Per City Council Administrative Policy, items authored by Advisory Bodies to the City Council (Boards/Commissions/Committees/Task Forces) shall be transmitted to the City Council in the following manner:

Advisory Body findings and/or recommendations are to be presented to the City Council, in accordance with any deadlines identified by the Council. Recommendations should be supported with data, pro/con analysis, or other relevant background material to help inform the City Council. When possible, the Advisory Body should include options for City Council consideration. The staff liaison to the Advisory Body will coordinate with the City Manager to schedule the item on a future City Council agenda. The Advisory Body Chair or designee is expected to attend the City Council meeting to present the item in coordination with the staff liaison.

It should be noted that as part of the decision making process on any matter, the Council has the authority to select from any of the options available, or to take an entirely different course of action.

**B-2. ORDER OF BUSINESS**

At the time set for each regular meeting, the Council Members, City Clerk, City Manager, City Attorney and such department heads as have been requested to be present shall take their regular places in the Council Chamber. The Mayor shall
call the meeting to order and the business of the Council shall be taken up for consideration and disposition in the order set forth in Section B-3, except that, with the consent of the majority of the Council, items may be taken up out of order.

B-3. CONTENTS OF AGENDA

The agenda shall contain the title headings and shall be conducted in the order and manner as set forth below. Exceptions to the order may be made by the Mayor for circumstances pertaining to agenda items such as number of interested parties anticipated to attend, costs to the City for persons waiting for the agenda item, attendance by other agency representatives or other interested parties, and other situations at the Mayor’s discretion.

CEREMONIAL MATTERS

Ceremonial matters include reading of proclamations, awards and special recognitions.

A full reading of the minutes shall not be required unless requested by a majority of the Council. It shall be the City Clerk’s goal to bring forth the approval of minutes of regular meetings of the City Council no later than the next regular meeting.

Approval of Expenditures: A copy of the current voucher register shall be furnished to each Council Member with the agenda. The Council shall consider the correction if necessary and approval of the current payroll register and current check register.
The Consent Calendar may also include any other matter of a routine or administrative nature.

Members of the Council and/or the public may pull a consent calendar item to ask questions and/or for further discussion. It should be noted that matters on the consent calendar are typically routine in nature, and as such, pulling of consent calendar items should be done infrequently in order to ensure efficient time management of the meeting.

COUNCIL MEMBER REPORTS ON STATE/REGIONAL/LOCAL MEETINGS ATTENDED AND ANNOUNCEMENT OF UPCOMING MEETINGS/CITY MANAGER REPORT/COMMENTS

Council Members provide reports on any recent meetings attended, and/or any upcoming meetings, with particular focus on the State/Regional/Local bodies they may have been appointed to by the Council. The City Manager may also provide a verbal report regarding matters of interest to the Council.

Presentations on particular topics of interest to the Council will be provided on an as needed basis. The Council shall have the authority to take action regarding presentation matters as needed.

GOOD OF THE CITY/PUBLIC FORUM/ANNOUNCEMENTS

The Council shall consider all written and oral communications from the public. All written and oral communications shall be subject to the provisions of Sections D-1 through D-6.

PUBLIC HEARINGS

In general, a public hearing is an open consideration within a regular meeting of the City Council, for which special notice has been given and may be required. During a specified portion of the hearing, any resident or concerned individual is invited to present protests or offer support for the subject under consideration.

Public hearings may be required by State or local law, i.e., public hearings are required for zoning changes, some annexations, weed abatement items, etc. For specific requirements, refer to the specific subject in the California Codes. In
In some cases, specific notice of the public hearing is required. For instance, zoning changes require that property owners within a 300-foot radius of the project property be notified of the date, time, place and reason for the public hearing. These requirements are also included in procedures within the California Codes.

Public hearings may also be held before a hearing officer or board designated by the City Council.

For quasi-judicial and quasi-administrative hearings see Section J.

Those public hearings set by the City Council may be cancelled only by vote of the City Council. Public hearings may be continued to a date certain without re-noticing upon majority vote of the City Council.

Public Hearings for Land Use and Zoning Matters

The City Council, in setting the time and place for a public hearing, may limit the amount of time to be devoted to the public presentations. Staff shall introduce the public hearing item and present their comments.

The staff presentation is followed by presentations each by the appellant and applicant. The Presiding Officer will designate the time period for the presentations, which should be of comparable allowed time for the appellant and applicant, if different. Whenever possible, the time period should not exceed five (5) minutes. The Presiding Officer may request that persons wishing to speak indicate their intention by raising their hands so as to determine the number of anticipated speakers. The Presiding Officer may adjust the speaking time for individual speakers or the overall public comment time. If it appears that all the speakers can be accommodated in the time period available for the public hearing, and there are no extenuating circumstances to the contrary, the time period allowed for each speaker shall be three (3) minutes. The Presiding Officer may reduce the time period for each speaker to less than three minutes for reasons such as allowing more speakers to make comments in the time period available for the hearing, the length of the agenda, there has been a prior public hearing or similar opportunity for public comment on the same subject, or other reasons at the discretion of the Presiding Officer.

Speakers are not permitted to yield their time to another speaker. The Presiding Officer may with the consent of persons representing both sides of an issue allocate a block of time to each side to present their issue.
UNFINISHED BUSINESS

The Council shall consider items of business previously under consideration at a meeting within one (1) year of the present meeting and which have been either (a) continued to the present meeting; or (b) tabled or postponed indefinitely and now requested placed on the agenda by a majority of the Council. The Mayor shall also have discretion for placing items previously considered by the Council in this section of the agenda.

NEW BUSINESS

The Council shall consider items of business which have not been considered at a meeting of the Council within one (1) year of the present meeting.

OTHER BUSINESS, ANNOUNCEMENT OF EVENTS/FUTURE AGENDA ITEMS

Council Members may note future agenda items and any upcoming events or other activities of interest to the community.

ADJOURNMENT

The meeting shall be adjourned after a motion to adjourn has been made and carried. The Council may adjourn the meeting in memory of a recently deceased member of the community.

C. CONDUCT OF MEETING

C-1. PRESIDING OFFICER

The Mayor shall preside at the meetings of the Council and shall preserve strict order and decorum at all regular and special meetings of the Council. In the absence of the Mayor, and the Vice Mayor, the City Clerk shall call the Council to order, whereupon a temporary Presiding Officer shall be elected by the Council Members present to serve until the arrival of the Mayor, or Vice Mayor, or until adjournment.

C-2. POWERS AND DUTIES OF THE PRESIDING OFFICER

The Presiding Officer shall state every question coming before the Council, announce the decision of the Council on all subjects, and decide all questions of order, subject, however, to an appeal to the Council, in which event a majority vote of the Council shall govern and conclusively determine such question of order.
Statements by the Mayor

In the case of a serious event or matter of significant concern to the community of any kind that the Mayor deems to require reassurance to the residents of the City, the Mayor may prepare and issue a statement, which will also be read at the next scheduled City Council meeting. Any such statement should be consistent with the Council’s adopted mission, vision and strategic goals, and any other related policy positions previously adopted by the current City Council. Whenever possible, the Mayor shall provide the statement to the City Clerk in advance of the Council meeting for inclusion in the agenda materials. All statements will be posted to the City’s website.

Participation

The Presiding Officer may move, second, debate, and vote from the Chair. He/she shall not be deprived of any of the rights and privileges of a Council member by reason of his/her acting as Presiding Officer.

Questions to be Stated

The Presiding Officer, or such member of the City staff as he/she may designate, may verbally restate each question immediately prior to calling for the vote. Following the vote, the Presiding Officer shall announce whether the question carried or was defeated. The Presiding Officer in his/her discretion may publicly explain the effect of a vote for the audience, or he/she may direct a member of the City staff to do so before proceeding to the next item of business.

Maintaining Order and Decorum

The Presiding Officer shall be responsible for the maintenance of order and decorum at all meetings. He/she shall decide all questions of order subject, however, to an appeal of the Council.

Signing of Documents

The Presiding Officer shall sign all ordinances, resolutions, contracts, deeds, bonds, and other documents necessitating his/her signature which were adopted in his/her presence unless he/she is unavailable, in which case an alternate Presiding Officer may sign such documents.
C-3. DUTIES OF COUNCIL MEMBERS

Promptly at the hour set by law on the date of each regular meeting, the members of the Council shall take their regular stations in the Council Chambers and the business of the Council shall be taken up for consideration and disposition.

C-4. MOTIONS TO BE STATED BY CHAIR

When a motion is made, it may be stated by the Chair or the City Clerk before debate.

C-5. REQUESTS FOR TECHNICAL ASSISTANCE

A majority vote of the Council shall be required to direct staff to provide technical assistance, develop a report, initiate staff research, or respond to requests for information or service generated by an individual Council Member.

D. ADDRESSING THE COUNCIL

D-1. WRITTEN CORRESPONDENCE

The City Clerk is authorized to receive and open all mail addressed to the City Council and shall give it immediate attention to the end that all administrative business referred to in said communication, and not necessarily requiring Council action, may be disposed of provided that communications and actions taken pursuant thereto shall be reported to the City Council Members. Communication requiring Council action shall be placed upon the Council agenda, together with a report and recommendation by the City staff. All correspondence shall be answered, or acknowledged as soon as possible.

Interested parties or their authorized representatives may address the Council by written communications in regard to matters of concern to them.

Communications received by the City Clerk prior to noon on the day of a Council meeting shall be duplicated by the City Clerk and submitted to the City Council at the meeting if related to an item which is on the agenda for that meeting. Communications submitted at the Council meeting will be included in the public viewing binder, on the City’s website to accompany the posted agenda, and in the Clerk Department the day following the meeting.

Communications from Advisory Bodies shall be handled as described above in B-1.
D-2. RIGHT TO ADDRESS COUNCIL

Subject to the provisions of Sections D-3, D-4, and D-5, members of the public shall have the right to address the Council during consideration of items under the following headings of business:

Public Hearings
Interested persons may address the Council while a matter is open to public hearing, in regard to remarks or questions relevant to the matter under consideration.

Once interested persons have addressed the Council during the public comment period for said item, those parties may not speak to the item again.

Public Comment
Interested persons may address the Council on any issue concerning City business during the period assigned to Public Comment.

D-3. MANNER OF ADDRESSING COUNCIL

Any person desiring to address the Council shall stand and wait to be recognized by the Presiding Officer. After being recognized, he/she may state his/her name and address for the record and proceed to address the Council. All remarks and questions shall be addressed to the Council as a whole and not to any member thereof. No question shall be asked of a Council Member or a member of the City staff without first obtaining permission of the Presiding Officer.

D-4. TIME LIMITATION

It is the intent of the City Council to hear various perspectives on matters on its agenda. Generally speaking, the time period for public comment on items on the agenda shall be three (3) minutes. In some instances, the number of people who wish to speak, the number of other items on the agenda, and the time available on the agenda may cause the Presiding Officer to limit the time period for public comment.

The Presiding Officer has the discretion to limit the overall time period for public comments and limit the time allowed per speaker. The overall time period that the Presiding Officer may set shall be reasonable for the subject matter at hand and allow for a variety of perspectives to be expressed. A typical time limit may be in the range of one to two hours. In addition to or in replacement of an overall time limit on public comment, the Presiding Officer may limit each public comment to less than three (3) minutes. The Presiding Officer will endeavor to
allow up to two (2) minutes per speaker, but there may be circumstances in which in the judgment of the Presiding Officer, the City Council would be better served setting a limit of one (1) minute per speaker in order to hear from more speakers. Speakers are not permitted to yield their time to any other speaker. When any group of persons wishes to address the Council on the same subject matter, it shall be proper for the Presiding Officer to request that a spokesperson be chosen to represent the group so as to avoid unnecessary repetition.

The Presiding Officer may allocate a block of time to organized parties to an issue, with consideration for equal time to issues with opposing sides. A typical time limit for such presentations is five (5) to fifteen (15) minutes. The allocation and length of a block of time shall also consider whether it will contribute to Council’s intent to hear various perspectives on an issue, provide relevant expertise, and be an efficient use of Council meeting time.

E. DEBATE AND DECORUM

E-1. GETTING THE FLOOR

Every Council Member desiring to speak shall first address the Chair, gain recognition by the Presiding Officer, and shall confine remarks to the question under debate.

E-2. QUESTIONS TO STAFF

Every Council Member desiring to question the City Staff shall, after recognition by the Presiding Officer, address his/her questions to the staff member. In the case of the City Manager, he/she shall be entitled either to answer the inquiry personally, or to designate a member of his/her staff for that purpose.

E-3. INTERRUPTIONS

A Council Member, once recognized, shall not be interrupted when speaking, unless called to order by the Presiding Officer, unless a point of order or personal privilege is raised by another Council Member. If a Council Member, while speaking, is called to order, he/she shall cease speaking until the question of order is determined. If determined to be in order, he/she may proceed. Members of the City staff, after recognition by the Presiding Officer, shall hold the floor until completion of their remarks or until recognition is withdrawn by the Presiding Officer.
E-4. POINTS OF ORDER

The Presiding Officer shall determine all points of order subject to the right of any Council Member to appeal to the Council. He/she may request an opinion of the City Attorney in making such determination. If an appeal is taken, the questions shall be, “Shall the decision of the Presiding Officer be sustained?” Council decision shall conclusively determine such question of order.

E-5. POINT OF PERSONAL PRIVILEGE

The right of a Council Member to address the Council on a question of personal privilege shall be limited to cases in which his/her integrity, character or motives are questioned or where the welfare of the Council is concerned. A Council Member raising a point of personal privilege may interrupt another Council Member, who has the floor, subject only to the power of the Presiding Officer to call him/her out of order.

E-6. REMARKS OF COUNCIL MEMBERS AND SYNOPSIS OF DEBATE

Any Council Member shall have the right of having an abstract of his/her statement and/or a synopsis of the debate on any subject under consideration by the Council entered in the minutes. Such right shall be exercised by specific direction to the City Clerk at the Council meeting.

E-7. COUNCIL AND CITY STAFF DECORUM AND ORDER

While the Council is in session, the Council Members and City staff shall preserve order and decorum. A member shall neither by conversation or otherwise delay or interrupt the proceedings or the peace of the Council, nor disturb any member while speaking or refuse to obey the directives of the Presiding Officer.

E-8. AUDIENCE DECORUM AND ORDER

Public members attending Council meetings shall observe the same rules of order and decorum applicable to the Council Members and staff. No person shall disrupt the orderly conduct of the Council meeting. Prohibited disruptive behavior includes but is not limited to shouting, making disruptive noises such as boos or hisses, creating or participating in a physical disturbance, speaking out of turn or in violation of applicable rules, preventing or attempting to prevent others who have the floor from speaking, preventing others from observing the meeting, entering into or remaining in an area of the meeting room that is not open to the public, or approaching the Council without consent. Any message to or contact with any member of the Council while the Council is in session shall be through the City Clerk.
(a) Enforcement of Decorum

A law enforcement officer may serve as Sergeant-at-Arms of the Council meeting. Said officer may carry out instructions by the Presiding Officer, City Manager, or Police Chief for the purpose of maintaining order and decorum at the Council meetings.

The Presiding Officer shall have the authority to call for a recess, clearing of the room, or for the removal of disruptive members of the public as needed to maintain order and decorum. The Sergeant-of-Arms shall provide assistance to effect orders by the Presiding Officer in the above courses of action.

Any person who disrupts the orderly conduct of a Council meeting while addressing the Council, or while attending the Council meeting, may be removed from the room if the sergeant-at-arms is so directed by the Presiding Officer, and such person may be barred from further audience before the Council during that meeting.

Any person who violates the order and decorum of the meeting and fails to cooperate with the orders of the Presiding Officer or the Sergeant-at-Arms may be placed under arrest and prosecuted under provisions of applicable law. Aggravated cases shall be prosecuted on appropriate complaint signed by the Presiding Officer or a Council Member.

E-9. FAILURE TO OBSERVE RULES OF ORDER

Rules adopted to expedite the transaction of the business of the Council in an orderly fashion are deemed to be procedural only and in the failure to strictly observe such rules shall not affect the jurisdiction of the Council or invalidate any action taken at a meeting that is otherwise held in conformity with the law.

F. MOTIONS

F-1. PRESENTATION OF MOTIONS

A motion is the formal statement of a proposal or question to the Council for consideration and action. Every Council Member has the right to present a motion.
F-2. **SECOND**

A second to a motion is required. The Presiding Officer may second a motion in order to facilitate the debate.

F-3. **SUBSTITUTE MOTION**

A substitute motion may be made to replace the main motion. Any substitute motion shall require a second. In the event that a substitute motion is made and receives a second, the Presiding Officer will call for a vote on the substitute motion first, and, if the substitute motion is not approved, the Council will then vote on the original motion.

F-4. **FRIENDLY AMENDMENT TO A MOTION**

A “friendly” amendment to a motion may be proposed by a member of the Council. The Council Member who made the motion, and the one who seconded it, shall be asked whether they accept the friendly amendment. If both agree, then the amendment shall be incorporated into the motion.

F-5. **PRECEDENCE OF MOTIONS**

2. Recess
3. Postpone temporarily or definitely (table)
4. Previous question

**F-6. PARTICULAR MOTIONS, PURPOSE AND CRITERIA**

G. **VOTING**

G-1. **VOTING PROCEDURE**

   When any motion is in order for the question, a vote thereon shall be taken by voice or roll call and entered in full upon the record. Motions may be passed by a simple majority of the members present at a properly quoromed meeting (two (2)
votes sufficient only if three (3) members present), except that the following matters shall always require three (3) affirmative votes:

(a) Adoption of ordinances

(b) Resolutions

G-2. CHANGE OF VOTE

A member may change his/her vote only if he/she makes a timely request to do so immediately following the announcement of the vote by the City Clerk and prior to the time that the next item in the order of business is taken up.

G-3. FAILURE TO VOTE

Every member should vote unless disqualified for cause accepted by vote of the Council, or by opinion of the City Attorney. Self-disqualification, without approval, which results in a tie vote shall be avoided as thwarting Council action; but no Council Member shall be forced to vote. A Council Member who abstains shall, in effect, consent that a majority of the quorum may act for him/her. Tie votes shall be lost motions and may be reconsidered.

G-4. CONFLICT OF INTEREST

Any Council Member who has a direct personal financial interest in any matter coming before the Council shall disclose said interest and shall disqualify himself/herself from discussing or voting on said matter. Where it is not clear whether such interest is of a disqualifying nature, the Council Member may contact the City Attorney to seek his/her opinion, but neither the City nor the City Attorney are responsible for any such opinion or advice. Council Members are encouraged to contact the California Fair Political Practices Commission for advice on conflicts of interest.

VOTING DISQUALIFICATION

No member of the Council who is disqualified due to a conflict of interest shall vote upon the matter on which the member is disqualified. Any member shall openly state or have the presiding officer announce the fact and nature of such disqualification in open meeting, and shall not be subject to further inquiry.

A member who is disqualified by conflict of interest in any matter shall not remain in the Chamber during the debate and vote on such matter, but shall request and be given the presiding officer's permission to absent themselves.
Should the situation arise where a majority of Council Members are disqualified from debate and vote on a particular matter, a drawing will be conducted by the City Clerk to determine who may participate in the debate and vote, the remaining Council Members that have a conflict of interest shall be disqualified.

G-5. **RECONSIDERATION AND RECISION OF PRIOR ACTION**

After motion and vote by the Council, such action may be reconsidered or rescinded only in the following manner:

**RECONSIDERATION**

A motion to set aside a vote (to reconsider) on a main motion shall always be in order at the same meeting. The motion to reconsider is amenable and debatable. Such motion can be made by any Council Member regardless of how he/she previously voted on the matter. If the motion to reconsider passes, the effect thereof is to over-rule and cancel the prior action.

**RECISION**

A motion to rescind (repeal, cancel, nullify) prior Council action on a main motion shall be in order at any meeting of the Council. The effect of rescinding prior Council actions shall operate prospectively only and not retroactively to the date of the original action. That is, it shall not operate to adversely affect intervening legal rights which create an estoppels situation.

**LOST MOTIONS**

A lost motion is one that fails to receive the necessary number of votes to carry. Tie votes result in a lost motion. Lost motions may be renewed at any subsequent Council meeting. To revive a lost motion at the same meeting, the proper action is a motion to reconsider, as discussed above.

H. **MINUTES**

H-1. **PREPARATION OF MINUTES**

The minutes shall consist of a clear concise statement of each and every Council action, including the motions made at the vote thereon. Minutes shall serve as a summary of the meeting, and shall not be verbatim. Reasons for making a motion, or voting, Council debate, and audience reaction, are generally irrelevant for purposes of the minutes. Such items may be included if considered to be particularly relevant or otherwise necessary by the City Clerk in the first instance
and by the Council in the final instance. The City Clerk shall have exclusive responsibility for preparation of the minutes, and any directions for changes in the minutes shall be made only by action of the City Council.

H-2. MINUTES OF HEARINGS

Whenever the Council acts in a quasi-judicial proceeding, such as hearings as defined in Section J-1, the minutes shall contain a synopsis of all evidence considered in the hearing, including statements of persons addressing the Council.

H-3. READING OF MINUTES

Unless the reading of the minutes of a Council meeting is ordered by a majority vote of the Council, such minutes may be approved on the Consent Calendar if the City Clerk has previously furnished each Council Member with a copy.

Ordinances take effect thirty (30) days after their final passage. An Ordinance takes effect immediately if the Ordinance is an emergency measure for preserving the public peace, health or safety, and containing the reasons for its urgency. The provisions of this section are not intended to apply to Public Hearings pertaining to legislative acts or matters of general interest, admissible over objection in civil actions. Hearsay evidence may be used for the purpose of supplementing or explaining other evidence, but shall not be sufficient in itself to support a decision unless it would be admissible over objection in civil actions. The rules of privilege shall be effective to the extent that they are otherwise required by statute to be recognized at the hearing, and irrelevant and unduly repetitious evidence shall be excluded.

**J-3. EVIDENCE OUTSIDE THE HEARING**

Any evidence taken outside the Council Chambers such as field trips, views of the premises, and discussions with individuals, shall not be considered by the Council in reaching its decision except under the following circumstances:

J-6. RECORD OF HEARING

A verbatim mechanical recording shall be made of the oral evidence presented at the hearing. Said recording, together with all documents, maps, exhibits and displays admitted into evidence, shall be retained by the City Clerk for a period of one (1) year from the date of the close of the hearing. In lieu of retaining said recording, the City Clerk may prepare a typewritten transcript thereof which shall be retained for the same period of time. The election of Mayor and Vice Mayor shall be placed at the end of the Agenda. The Mayor will ask the Council for nominations for Mayor. Any Council Member wishing to make a nomination may do so. Nominations do not require a second. The Council will vote on the nominations in reverse order that the nominations were made, with the last nomination made voted on first. The nomination process will be repeated for the selection of a Council Member to serve as Vice Mayor.
A. INTRODUCTION

The Albany City Council Policies are intended to govern the conduct of the City of Albany and its employees. For the sake of this document, a “Policy” is the protocol, principle or rule that guides City business and serves as a framework for the Administrative Policies Manual, intended to carry out said Council policies. The City Council Policies are approved and adopted by the Albany City Council and will be reviewed or updated on an as-needed basis. Unless otherwise noted, all of the following Policies have been duplicated in the Administrative Policies Manual. The City Manager is authorized to approve, administer and make changes to the Administrative Policies Manual to achieve efficient and effective implementation of City Council Policies. The Administrative Policies Manual describes the way in which the following Council Policies are to be carried out.

B. CITY ADVISORY BODY CONDUCT AND ADMINISTRATION POLICY

The following policy is intended to provide for the effective and efficient operation of the City’s Commissions/Boards/Committees (Advisory Bodies), in accordance with Albany City Charter Section 3.23, and Albany City Council Resolution No. 2010-63.

B-1. ATTENDANCE, ABSENCES, AND REMOVAL FOR EXCESSIVE ABSENCES

(a) Members of Advisory Bodies (Members) are expected to attend all regular and special meetings of their respective Advisory Body. Regular attendance is necessary to ensure a quorum of members is present, to provide a full range of perspectives on matters before the Advisory Body, and to allow the opportunity for the Advisory Body is to conduct business in a timely manner.

(b) At times, a Member may be able to participate remotely via teleconference. This must be arranged with the Advisory Body Chair and staff liaison in advance of posting of the agenda so that the site from which the member will teleconference can be stated on the agenda, and to ensure necessary equipment is available.
(c) Any Member unable to attend a scheduled meeting shall notify the Advisory Body Chair and/or the assigned staff liaison a minimum of 24 hours in advance of the meeting. This action will result in an “excused” absence. Failure of any Member to notify the Advisory Body Chair or the assigned staff liaison a minimum of 24 hours in advance of the scheduled meeting shall result in an “unexcused” absence.

(d) Excessive absenteeism shall be cause for removal from an Advisory Body. Excessive absenteeism is defined as one of the following:

i. Unexcused absence from three consecutive regular meetings

ii. With the exception of advisory bodies that meet regularly more than once a month (e.g. Planning & Zoning Commission), absence from four meetings in any twelve month period, excused or unexcused. For advisory bodies that meet regularly more than once a month, excessive absenteeism in a twelve month period shall be defined as six absences from regular meetings, whether excused or unexcused.

(e) The Chair and/or staff liaison shall notify the City Clerk when a Member has excessive absences. The City Clerk shall notify the member and the appointing authority in writing that the member is removed due to excessive absenteeism. The City Clerk may consider any evidence from the Member provided within ten days of the notice that he/she has not been excessively absent before the action is final.

Chairs and staff liaisons are encouraged, but not required, to contact the Member, the City Clerk, and/or the appointing authority when a Member is close to being excessively absent.

B-2. ESTABLISHED MEETING END TIME

All Advisory Bodies shall identify a mutually agreeable meeting end time. Establishment of a reasonable end time is intended to provide sufficient time for Advisory Bodies to conduct necessary business while also respecting the outside responsibilities of Members.

In general, it is recommended that Advisory Bodies, with the exception of the Planning & Zoning Commission, consider an end time of 9:30 p.m. unless unusual circumstances dictate an alternative ending time. In order to exceed the agreed upon meeting end time, a motion for extension of time shall be approved.
B-3. ROTATION OF CHAIR PERSON

To provide the opportunity for all Members of Advisory Bodies to hold a leadership role, the position of Chair Person and Vice Chair shall be rotated on an annual basis in January or February. Although not recommended, if the Advisory Body agrees that there is a strong preference to continue with the existing Chair and/or Vice Chair, they may serve for a maximum of two consecutive years in the role.

B-4. SERVICE ON ADVISORY BODIES

To allow for the maximum amount of community engagement and participation on the City’s Advisory Bodies, appointments to Committees/Commissions/Boards shall preferably serve on only one Advisory Body at any one time. This policy is also intended to help minimize any potential conflict of interest issues that could arise by a member serving on multiple advisory bodies.

B-5. ADDRESS, PHONE NUMBER AND EMAIL POLICY

When an individual serves on an Advisory Body, his/her address, telephone number and email will be public record.

B-6. WORK PLAN

All standing Advisory Bodies shall develop and adhere to a work plan for submittal to the City Council. The work plan should identify recent accomplishments, and priority work items for the upcoming period. The work plan should be reviewed by the Advisory Body annually in January to identify accomplishments and ensure continued focus on completing work plan items.

Advisory Bodies are encouraged to focus on a reasonable number of work plan items to accomplish in a given two-year period, recognizing the potential workload associated with each item. Additionally, Advisory Body work plans are to focus on furthering the Strategic Plan Goals identified by the City Council.

City Council Review of Work Plans

Work plans shall be presented to the City Council every two years. The Chair of the Advisory Body or a designee should attend the Council meeting to respond to any questions raised by the City Council regarding the work plan. The Council may choose to revise work plans as necessary to ensure Advisory Bodies remain
focused on their respective charge and on implementation of City Council Strategic Plan goals.

B-7. CHANGES/ADDITIONS TO ANNUAL WORK PLAN

Any changes or proposed additions to the annual work plan must be submitted by the Advisory Body to the City Council for review. The submittal shall be prepared using the attached form “REQUEST FOR AMENDEMENT TO ADVISORY ANNUAL BODY WORK PLAN” (Exhibit 1). Changes to a work plan may be requested at any time during the 2-year term by the affirmative vote of the majority of appointees. No changes can be made after November 1 in the second year of the work plan.

B-8. MANNER FOR BRINGING ITEMS TO THE CITY COUNCIL

(a) Matters Referred to the Advisory Body by the City Council

The City Council may refer items to the Advisory Bodies for further analysis, research and discussion. Items referred by the City Council to an Advisory Body are to take priority. Advisory Body findings and/or recommendations regarding these matters are to be presented back to the City Council, in accordance with any deadlines identified by the Council. Recommendations should be supported with data, pro/con analysis, or other relevant background material to help inform the City Council. When possible, the Advisory Body should include options for City Council consideration. The staff liaison to the Advisory Body will coordinate with the City Manager to schedule the item on a future City Council agenda. The Advisory Body Chair or designee is expected to attend the City Council meeting to present the item in coordination with the staff liaison.

(b) Matters Included on the Advisory Body Work Plan

At times the Advisory Body may have updates, reports, findings, or recommendations to present to the City Council on matters included as part of the Advisory Body Work Plan. Recommendations should be supported with data, pro/con analysis, or other relevant background material to help inform the City Council. When possible, the Advisory Body should include options for City Council consideration. The staff liaison to the Advisory Body will coordinate with the City Manager to schedule the item on a future City Council Agenda. It should be noted that the Council has the authority to prioritize items intended for the City Council agenda.
(c) Other Matters

If other matters arise relevant to the charge of an Advisory Body that are not included within the Advisory Body Work Plan, and the Advisory Body agrees that the additional work item should be included as part of the work plan, the Advisory Body is to complete the “REQUEST FOR AMENDMENT TO ADVISORY BODY ANNUAL WORK PLAN” (Exhibit 1) for review by the City Council.

It should be noted that as part of the decision making process on any matter, the Council has the authority to select from any of the options available, or to take an entirely different course of action.

B-9. STAFF LIAISONS TO ADVISORY BODIES

A staff liaison is assigned to each of the Advisory Bodies to the City Council. The role of the staff liaison is to support the Advisory Body by preparing the agenda in coordination with the Advisory Body Chair, preparation of action minutes, and transmittal of items from the Advisory Body to the City Manager or other entity. Advisory Body members are to take the lead in conducting research, preparation of written materials, and other items that may come before the Advisory Body.

E-6. The City Manager shall report to the City Council any violations of the above rules which come to his/her attention.

F. CITY COUNCIL STRATEGIC PLAN POLICY

The purpose of the City Council Strategic Plan is to identify key issues, develop City Council direction, establish priorities, and set goals and objectives to best focus changes to the use of the City’s limited resources and capacity over the course of the 2-year plan
period. The mandated obligations of local government remain the core function of the City and need not be fully detailed in the Strategic Plan, including but not limited to: public infrastructure, public safety, governmental transparency, financial accountability, and implementation of regulations.

CONTENT

A strategic plan should start with a review of the City’s mission and vision. Based on the mission and vision, a realistic number of goals and objectives should be established that build on the organization’s strengths and take advantage of the emerging opportunities available to the City. The goals and objectives also should reflect the realities of the City’s limited organizational capacity.

The broad themes embodied in the goals and objectives are most critical to the effectiveness of the strategic plan. Individual implementing actions should be expected to be refined over time and the timing of implementation should be expected to change over time in response to changing opportunities and constraints.

POLICY

The City Council develops a Strategic Plan every two years to identify goals and priority projects for the City. Each Strategic Plan is intended to cover a two-year period, in coordination with the City’s budget cycles. Periodic status updates are provided on the Strategic Plan by staff to the Council.

Each Strategic Plan that is developed will consider the previous Strategic Plan to determine if any goals and objectives have not been fully implemented and require inclusion in the updated plan.

The Strategic Plan may be updated as needed throughout each two-year cycle, typically occurring during a work session of the City Council at the beginning of each calendar year.

G. CITY COUNCIL SUBCOMMITTEE POLICY

The Council may establish a subcommittee of the Council, comprised of no more than two Council Members, to conduct additional outreach or research regarding a matter of interest to the Council. Subcommittees shall be designated by the Council, including a description of the study area for the subcommittee. Subcommittees are to report back to the Council with any findings or recommendations at least quarterly.
H. CODE OF ETHICS POLICY FOR CITY EMPLOYEES AND VOLUNTEERS

In addition to the City Council Code of Ethics (provided in the previous section), it is the policy of the Council to recognize the Code of Ethics for all City employees and volunteers. The City of Albany and its Council believe that adherence to these principles by all City employees and volunteers is fundamental to building and maintaining public trust which enables government to function effectively and responsibly.

1. Be dedicated to the concepts of effective, democratic local government and recognize that the chief function of local government is to serve the best interests of all the people.

2. Affirm the dignity and worth of the services rendered by government. Maintain a constructive, creative and practical attitude toward public service and a deep sense of social responsibility as a trusted public servant.

3. Be dedicated to the highest ideals of honor and integrity in all public and personal relationships so that you may merit the respect and confidence of your co-workers, the City Council and the public.

4. Make decisions with fairness, impartiality and respect for the people involved.

5. Provide friendly and courteous service to the public; seek to improve the quality and image of public service; and keep those members of the community with whom you interact informed about City affairs.

6. Support the City by upholding and implementing municipal policies as adopted.

7. Recognize that the City Council, elected to represent the people, is entitled to the credit for the establishment of municipal policies; responsibility for implementing policies rests with City staff and volunteers.

8. Refrain from all political activities which would impair or bring into question performance as a City employee.

9. Seek no favor; believe that personal aggrandizement or profit secured by confidential information or by misuse of public facilities, equipment, time or office is dishonest.
I. CUSTOMER SERVICE STANDARDS POLICY

It is the policy of the Albany City Council that residents and other interested parties be treated with respect, and that inquiries to the City be responded to in as timely a manner as is feasible. The procedures laid out in the Albany Administrative Policies Manual establish standards for serving the public, other agencies, and other persons outside the City of Albany organization in a respectful, courteous, friendly, professional, and efficient manner.

J. DISCLOSURE OF EMPLOYEE FAMILY RELATIONSHIP POLICY

All City Council Members will disclose any family or blood relationship, or any relationship that is comparable to a family or blood relationship, concerning any person considered for employment, appointment, or contractual obligation.

K. ELECTRONIC MEDIA, WEBSITE AND SOCIAL MEDIA POLICY

The use of Electronic Media (i.e. voicemail, e-mail, and the internet), City Website (www.albanyca.org), and Social Media (Facebook, Twitter, Youtube, etc.) may be used by City of Albany employees and City Officials for City purposes. Use of these tools is intended to further enhance communications with the community in support of City goals and objectives.

The use of voicemail, e-mail, the internet, and social networking may raise issues of privacy, liability and records retention, and users are advised to use caution when utilizing these media tools. City employees shall also act in accordance with the Electronic Media, Website, and Social Media Procedures, as established by the City Manager, to ensure all employees follow proper rules of conduct when using electronic technology. Use of electronic technology is additionally governed by the City’s Management of Public Records Policy and many records must be retained. Due to constantly evolving technology, the City Council encourages the City to utilize new opportunities for engaging the community, while being sensitive to records retention, confidentiality, anti-harassment, open meeting laws, etc. Use of social media by elected and appointed officials are also subject to City Council policy for such officials.

The Council shall also adhere to the Social Media Guidelines included as discussed below.
SOCIAL MEDIA GUIDELINES

The following best guidelines are provided to help outline the roles, responsibilities, and best practice recommendations for the use of social media by Elected Officials and individuals appointed to City Committees, Boards, and Commissions. The guidelines are intended to help raise awareness of potential issues relating to the utilization of social media and offer practical guidelines for consideration by elected officials and appointees who may choose to engage in social media.

The guidelines below pertain to posting on City of Albany Social Media sites, but their principles are applicable to posting on other social media sites. Social media is an evolving communications tool for which legal, practical, political, and policy considerations overlap and may conflict. It is the policy of the City that elected and appointed officials should err on the side of caution, in the spirit of the best practices outlined below, in posts that they make on social media sites.

Definitions

Social Media is defined as the use of third-party hosted online technologies that facilitate social interactions and dialogue. Such third-party hosted sites include but are not limited to: social networking sites (MySpace, FaceBook, Linked-In), micro-blogging tools (Twitter, RSS feeds), audio-visual networking sites (YouTube, Flickr), blogs, etc.

Best practices when posting to a City of Albany Social Media Site:

1. **Be Cautious:** if you are about to post information that makes you even the slightest bit uncomfortable, pause and think about it. Be smart about protecting sensitive information as well as maintaining your own privacy. Remember that what is posted via social media is widely accessible, not easily retractable, subject to scrutiny, and will be around for a long time.

2. **Stick to the Facts:** Post information that is based on your knowledge, rather than your opinion. Whenever possible, reference information that is available on the City’s website or is otherwise easily accessible.

3. **Think twice before posting:** Privacy does not exist in the world of social media. Search engines can turn up posts years after they are created, and comments can be forwarded or copied. If you would not say it at a conference or to a member of the media, consider whether you should post it online.

4. **Remember your audience:** Your presence in the social media world is available to the public at large. This includes prospective City employees, current employees, colleagues, and peers. Consider this before publishing to ensure the post will not
alienate, harm, or provoke any of these groups.

5. **Personal or Political Activities:** Elected officials should be aware of the restrictions of using public resources for either personal or political purposes. Per State law, elected officials may not use public resources for “personal or campaign purposes”.

6. **Open Meeting Laws:** Conversations on the Internet among Elected Officials and their appointees can constitute an unlawful “meeting” as defined in the Brown Act.
   - Avoid discussing anything that may come under the subject jurisdiction matter of the elected or appointed body. The Brown Act prohibits decision-makers from “using a series of communications of any kind, directly or indirectly or through intermediaries, to discuss, deliberate or take action on any item of business that is within the subject matter jurisdiction of the legislative body.”

L. **EMAIL AND OTHER COMMUNICATION TO CITY COUNCIL POLICY**

An email account citycouncil@albanyca.org has been established to allow emails to reach the all five Council Members directly. The email account is set up to bcc all Council Members, as well as City Administration staff.

Responses to emails received should be referred to staff to provide factual information and any follow up needed. Staff will bcc the City Council on initial responses sent. Council Members may also choose to reply to emails received. Council Members may copy staff on email responses, however, Council Members should refrain from copying the other Council Members on email responses.

Community Members may contact the Albany City Council by utilization of established communication methods including but not limited to:

Email to the entire City Council at: citycouncil@albanyca.org. This email account has been established to allow emails to reach all five Council Members directly and City Administration staff; email to individual Council Member’s email addresses as posted on the City’s website www.albanyca.org; individual City Council Member’s voicemail boxes as posted on the City’s website; or via mail addressed to the City Council Member, c/o Albany City Hall, 1000 San Pablo Avenue, Albany CA, 94706.

All correspondence received is a matter of public record. Albany City Government is open and transparent. Communications to the City Council are public record and will become part of the City’s electronic records. To send in a comment regarding a matter that is on a City Council agenda, please be sure it’s received prior to 12noon of the Council Meeting day via one of the contact methods listed on the City’s website to ensure
the communication is included as part of the agenda record. **Please note: e-mail addresses, names, addresses, and other contact information are not required, but if included in any communication to the City Council, will become part of the public record.** If an individual does not want their e-mail address or any other contact information to be made public, the communication may be delivered via U.S. Postal Service or in person to City Hall at 1000 San Pablo Avenue, Albany. **If one does not want contact information included in the public record, one should not include that information in the communication.**

Council members shall be clear in communications with the public when the opinions and positions they convey are their own individual positions and when they have been authorized by the Council to speak for the Council as a whole. To coordinate relations between the Council and City staff for the benefit of both citizens and City government, it is also recommended that Council Members share communications regarding City administration with the City Manager, particularly when communication received requires factual information and/or follow up from staff. Emails received to all City Council at citycouncil@albanyca.org will also be reviewed by the City Manager. When follow up is required by staff, the City Manager (or their designee) shall reply to the sender and copy the City Council to ensure all Council Members are provided the same information.

To ensure emails are retained in compliance with the City’s records retention schedule, replies to citycouncil@albanyca.org emails by City Council Members must include a copy to: councilresponses@albanyca.org. Council members and/or a member of the public may request email records at any time as a matter of public record.

**M. FINANCIAL REPORTS, BUDGET, FEES AND INVESTMENT POLICY**

Prior to adoption of the budget, the City Council will receive a financial report from the City’s Finance and Administrative Services Director. This report will contain revenue and expenditure projections, projected fund balances and fund transfer information. Budget revisions or updates will occur at approximately six-month intervals, if necessary. The City Council must approve all budget revisions that change the initial fund appropriations. **In addition, staff will present quarterly budget updates to the City Council.** All fees will be assessed and collected by the City Staff, in accordance with the most current Master Fee Schedule as adopted by the City Council.

Every year, the City shall receive an Annual External Audit. The Finance and Administrative Services Director will schedule this audit as an agenda item for City Council review and approval. The Finance and Administrative Services Director or
designee will submit a staff report summarizing the auditor’s findings and the general financial condition of the City for the audit period.

City staff shall make every effort to collect all City fees. However, on rare occasion, waiver of a fee for hardship, miscommunication or to rectify a problem may be necessary. The City Manager, Finance & Administrative Services Director, City Treasurer and Community Development Director or their respective designees may waive fees including penalties and interest (if applicable) up to $1,000 provided that a written explanation as to why the fee is being waived is submitted to the Finance and Administrative Services Department. Fee Waivers in excess of $1,000 require approval by both the City Manager and the Finance & Administrative Services Director in the manner outlined above.

Pursuant to Government Code, City Council will adopt an investment policy annually.

N. GIFT POLICY

The City Council retains the authority to accept or reject any and all gifts offered to the City. The City Manager has the authority to accept or reject gifts of $100 in value or less, or gifts of food, beverages, and supplies for City events, activities, and programs. When the City Council receives donated money or a gift for a specific purpose, the Council will deposit the donation as revenue in an existing fund that most nearly corresponds to the wishes of the donor. The creation of new funds will be avoided if at all possible. If the money is donated for a non-specified purpose, it will be deposited in the Gift Fund as revenue. Where names and addresses are available, receipt of gifts of twenty-five dollars or more shall be acknowledged, if requested by the donor, to a second party, or the family of a deceased person, in whose honor the gift has been made. For this purpose, the staff may prepare or procure for letters or cards that shall be signed by an appropriate City official.

When the City receives a conditional bequest for a citizen, prior to the acceptance of the gift, the City will determine the following (1) if the acceptance of the gift is in the City’s best interest; and (2) if the City can reasonably fulfill the conditions of the bequest.

Where applicable, memorial gifts and other gifts to the City shall follow the Facility Naming Policy adopted by Resolution No. 2012-04.
O. MAYOR’S EXPENSE ALLOWANCE POLICY

The Mayor shall be provided an expense allowance in the amount of $100 per month as reimbursement for estimated out-of-pocket expenses incurred in carrying out mayoral duties. The expense allowance is intended to cover actual and reasonable costs associated with local automobile travel and other miscellaneous and incidental expenses related to City business. This allowance shall be separate from the travel and lodging expense reimbursement policy detailed in the expense reimbursement policy.

P. PURCHASING POLICY

1. Purchases up to $250 may be made from a department's petty cash fund. Purchases up to $2,500 do not require a purchase order. In the event that a vendor requires a purchase order for goods or services with a value of $2,500 or less, the standard procedures for issuance and approval of purchase orders shall be followed.

2. All purchases in the total amount of $2,500 to $10,000 shall be made using a purchase order approved by the Finance & Administrative Services (F&AS) Director. The Department Head is responsible for ensuring that the materials and services purchased are competitively priced so that City funds are expended appropriately and in a cost efficient manner.

3. For purchases in the total amount of $10,001 to $25,000, the Department Head shall obtain bids or price quotations from a least three (3) qualified vendors of the materials, equipment or service required. Documentation of the bids or price quotations shall be submitted with the purchase order at the time the purchase order is presented for approval by the F&AS Director or the City Manager. A determination by a Department Head that solicitation of bids or price quotations from three (3) vendors is not feasible must be approved by the F&AS Director or the City Manager.

4. Cost of Living Adjustment. All referenced dollar amounts pertaining to this purchasing policy shall be reviewed by the F&AS Director at the beginning of each fiscal year. Upon the City Manager’s approval, all referenced dollar amounts may be adjusted to reflect general inflation of prices that has occurred subsequent to the last previous adjustments of the dollar levels referenced.

5. Unless waived by the City Council, formal bids will be required for submission to the City Clerk and approval by the City Council for all purchases of goods or services for
a cost in excess of $25,000. Exceptions to this policy are as follows (as described in Section 2-27.2 of the Albany Municipal Code):

(a) The bidding procedures for public works projects as set forth in Section 4.03 of the City Charter shall be followed. In general, this section defines "public project" as it applies to the City of Albany, and provides direction for competitive bidding notification, and allows for Council discretion in accepting or rejecting bids.

(b) Service contracts for individuals or firms possessing a high degree of skill and sole vendors are exempt from the bidding policy. A service contractor or vendor may be considered sole source because of, but not limited to, shipping costs, time considerations, service availability, or established expertise in the desired field. The Department Head shall submit a memorandum to the F&AS Director documenting the reasons for awarding a contract or purchase order on a sole source basis. The sole source request must be approved by the City Manager prior to the issuance of a purchase order or the signing of a contract.

(c) In the event that purchases for equipment or vehicles are part of a major government purchasing contract (generally in conjunction with the State of California) that would generate the lowest per unit cost, competitive bids are not required.

(d) Purchases of equipment, materials, supplies, or services determined by the City Manager or his/her designee to be necessary to meet an emergency which threatens the public health, safety or welfare, may be made without competitive bidding, and without Council approval if the purchase is necessary to ensure the public health and safety. In the event of a declaration of a local emergency by the City Manager, Department Heads may exceed expenditure limits for purchase of materials and goods, contracts for services, or public works projects and improvements necessary to protect safety of persons or property. Discretion should be exercised by all staff involved in the purchasing of materials and services to ensure that City funds are expended appropriately and in a cost efficient manner. All expenditures in excess of standard authority shall be reported to the City Council at the earliest possible date.

6. When City funds are used to contract for services, such contracts should demonstrate an effort to consider Living Wage standards and promote an employment environment that enhances the general quality of life within the community and maximizes the productive effect of the City’s limited resources (as described in Section 2-26 of the Albany Municipal Code).
7. The following policies are also described in the Albany Municipal Code (Section 2-27.2)

(a) Periodically, generally in concert with a contracted auction service, each department shall submit to the F&AS Director in such form as that office shall prescribe, a report showing all supplies, materials, and equipment that are no longer used or that have become obsolete. Prior to disposal of these items, the F&AS Director or his/her designee shall prepare a report to the City Manager requesting authorization to dispose of these items.

(b) Any officer or employee of the City who violates the above policies, except for purchases from petty cash or emergency purchases, may be subject to disciplinary action, including termination, by the City. Any purchases, contracts or obligations to pay, made contrary to these policies, shall be null and void.

(c) In the case of a purchase or public project financed in whole or in part by public gifts to which are attached conditions relating to special items to be purchased or special contracts to perform the work, such purchases or special projects are exempt from the above policies, provided that the City Council approves the projects and the exemption.

(d) Any employee of the City soliciting contract proposals or procurement of goods shall afford maximum opportunity to Albany minority or women owned business enterprises when competing for the City's business. This shall be done when after evaluation of all factors, including professional qualifications, proven expertise, and quality of proposal and price, the services to be provided are judged equal to those of competitors.

8. The City shall give preference to environmentally preferable products that minimize environmental impacts, toxics, pollution and hazards to worker and community safety to the greatest extent practicable. Prior to purchasing products, the purchaser shall consider the following items:

(a) Whenever feasible, identify opportunities to reduce waste and purchase fewer products.
(b) Identify whether there are comparable products made from recycled content, are energy/water/resource efficient, and/or made from non-toxic materials.
(c) Consider the feasibility of purchasing environmentally preferable products, and
determine whether the products are both cost competitive and attainable within a
reasonable period of time.

Q. RECOGNITION OF PERSONNEL POLICIES AND REGULATIONS POLICY

In accordance with Resolution #01-59, it is the policy of the City Council to recognize
the City of Albany Personnel Rules and Regulations, amended and ratified by the City
Council on July 16, 2001. This manual encompasses all personnel-related policies and
procedures for employees of the City of Albany. This manual may be modified or
amended by resolution of the City Council.

R. RISK MANAGEMENT/INSURANCE POLICY

The City Council recognizes it is necessary to utilize procedures to respond to risk
management situations. The City Manager is authorized to settle liability or worker’s
compensation insurance claims up to $25,000. The City Manager, in consultation with
the City Attorney, has authority to reject any and all claims. Rejected claims shall be
included as an informational item on the next City Council Meeting Agenda as part of the
Consent Calendar.

S. SPECIFIC AND MASTER PLANS POLICY

The City Council recognizes that the City has adopted several Specific and Master Plans
that govern the procedures associated with particular subject matters or areas of the City.
These include, but are not limited to, the Active Transportation Plan, Climate Action
Plan, Park Master Plan, Albany Hill Master Plan, Watershed Master Plan, and Traffic
Management Plan. The Council recognizes that all current Specific or Master Plans and
any which may be adopted in the future, should be considered during the course of
Council actions and City projects, as relevant.

T. STATEMENTS REGARDING PENDING LEGISLATION/REGULATORY
   ACTIONS BY OTHER GOVERNMENTAL BODIES

T-1. POLICY STATEMENT
The purpose of this policy is to outline the procedures for the issuance of City Council statements of support/opposition to pending legislation or regulatory actions by other governmental bodies.

T-2. PROCEDURE

When a Member of the City Council wishes to bring a request for a letter of support/opposition regarding pending legislation or regulatory actions by other governmental bodies, the individual bringing the request shall prepare a memorandum specifying the request and identifying the possible impact of the legislation/regulatory action on the City. The letter of support/opposition shall be attached to the memorandum. The memorandum and letter of support/opposition should be provided to the City Clerk at least three working days in advance of the date of issuance of the Council agenda packet at which the proposal is to be considered. The requestor should not expect staff assistance with research or preparation of the memo (except to the extent the proposal might directly impact City of Albany business).

The memorandum should be placed on the consent calendar for the City Council meeting, unless the requestor or staff anticipate controversy regarding the matter, whereby the memorandum would then be included under the category of New Business on the Council agenda.

If an urgent request is received, that could not have been considered in the ordinary course of Council business, and is too late for timely Council consideration, that the City take a position on a piece of legislation that the Mayor deems to be of direct importance to the welfare of the City, the Mayor may take action on his or her own initiative to transmit a letter of support/opposition. Any such letter of support/opposition should be consistent with the mission, vision and strategic goals of the Council as well as any other related policy positions adopted by the current City Council. The letter shall be distributed to the City Council, and placed on the consent calendar at the next regularly scheduled City Council meeting.

All letters of support/opposition to pending legislation/regulatory actions by other governmental bodies shall be posted to the City’s website.

U. USE OF PUBLIC RESOURCES POLICY
U-1. POLICY STATEMENT

The purpose of this policy is to define procedures for the use of public resources by Members of the City Council for purposes other than City Council meetings or other official City business. Public resources include but are not limited to City facilities, staff time, equipment and City technological resources (e.g. website/social media sources and email systems). This policy does not prohibit individual City Council Members from renting meeting space in City facilities under the same terms and conditions as are available to members of the general public.

U-2. CITY COUNCIL AUTHORIZATION REQUIRED

Requests for use of a City facility by a Council Member for a community meeting, gathering or similar event shall be reviewed by the City Council. Use of public resources to support such events shall be prohibited unless the City Council has expressly approved the event as a City-sponsored or co-sponsored event.

U-3. BROWN ACT COMPLIANCE

In situations where the City Council has taken action to sponsor or co-sponsor a community meeting, the meeting shall be conducted in accordance with the Brown Act. This includes posting an agenda for the City Council and any City Advisory Bodies that may have a majority of their members attending the meeting.

U-4. PERSONAL PURPOSES OR CAMPAIGN ACTIVITIES

Use of public resources for any personal purpose or campaign activities shall be prohibited in accordance with Government Code Sections 8314 and 54964.

CITY CLERK
CITY COUNCIL CODE OF ETHICS

1. City Policies
Stand behind the City’s spokesperson and leadership. Press releases should be from the Council, about the Council or regarding a Council consensus. However, minority opinions and viewpoints should be honored. Individuals may speak or write individually, but should note that they are speaking or writing on their own behalf.

2. Build Teamwork
Be open with ideas, feelings and attitudes. Gain an honest evaluation of your ideas and recruit assistance in implementing them.

3. Show Respect, Effective Communication and Leadership
Respect your colleagues. For criticism to be effective, it is best to be constructive. Embarrassing a colleague or staff in public will likely be counter-productive. Follow legitimate channels of communications with the staff. Remember that staff performance is a reflection of your leadership abilities; work together.

4. Try to Reach Decision by Consensus
A level of consensus can make better decisions. Openly voice your individual goals and work to draft a solution to meet the largest number of goals.

5. Value Your Vote
You were appointed to express your opinion by voting on matters. Vote with the Albany community and your conscience in mind. If there are conflicting goals, vote for the higher purpose. If you have a conflict of interest, abstain from voting.

6. Give Political Assent; Do Not Misrepresent the Group
Accept the results of a Council vote and an election. Respect the decision of the group.

7. Respect non-Partisanship
The strength of local government in California is that it is non-partisan; be dedicated to the preservation of this system.

8. Brown Act
Be forthright in the City Council’s support and adherence to the Brown Act.
