ORDINANCE NO. 2020-06

AN URGENCY ORDINANCE OF THE CITY OF ALBANY EXTENDING THE TEMPORARY MORATORIUM ON EVICTIONS DUE TO NONPAYMENT OF RENT AND RENT INCREASES FOR CERTAIN RESIDENTIAL AND COMMERCIAL TENANTS DURING THE COVID-19 PANDEMIC AND SETTING FORTH THE FACTS CONSTITUTING SUCH URGENCY

THE ALBANY CITY COUNCIL ORDAINS AS FOLLOWS:

SECTION 1. FINDINGS.

The findings set forth in Ordinance No. 2020-03 are still applicable and incorporated herein by reference.

On May 29, 2020, the California Governor issued Executive Order N-66-20 extending the timeframes in Executive Order N-28-20, Paragraphs 1 and 2, for an additional 60 days from the date of the Order, among other things.

The City Council desires to extend the Albany commercial and residential eviction moratorium urgency ordinance to prevent uncertainty and confusion for tenants associated with multiple state and county regulations governing evictions during the COVID-19 pandemic and to provide certainty for tenants on the processes in place to repay deferred rent.

This Ordinance is adopted pursuant to the City's police powers and powers afforded to the city in the time of a national, state, county and local emergency during an unprecedented health pandemic, such powers being afforded by the State Constitution, State law and Section 2-16 of the Albany Municipal Code to protect the peace, health, and safety of the public. The Albany City Council finds that this ordinance is necessary for the preservation of the public peace, health, and safety of residents living within the City and finds urgency to approve this ordinance immediately based on the facts described herein and detailed in the staff report. Under Government Code Section 8634, this ordinance is necessary to provide for the protection of health, life and property.

SECTION 2. MORATORIUM EXTENSION.

Section 9 (DURATION; SUSPENSION) of Ordinance No. 2020-03 is amended to read as follows.

“In accordance with the Governor of the State of California’s Executive Orders N-28-20 and N-66-20, Ordinance No. 2020-03 shall remain in effect until July 28, 2020. In order to prevent inconsistencies, the Director of Emergency Services may suspend the effectiveness of any provision in this ordinance in the event that the President of the United States, Congress, Governor of the State of California or California State Legislature or other body with jurisdiction adopts an order or legislation that similarly prohibits evictions for failure to pay rent by individuals impacted by the COVID-19 crisis.”
SECTION 3. RENT REPAYMENT EXTENSION

The time periods in Ordinance No. 2020-03, Sections 2(F); 3(E), 5(E) and 6(D), for residential and commercial tenants, as applicable, to repay unpaid rent shall be extended from six months to twelve months after expiration of the local emergency. A landlord shall not commence an eviction during the twelve months after the end of the local emergency for non-payment of rent, so long as the tenant pays rent (or rent increases) in a timely manner after the period of local emergency and is repaying the past due rent that accrued during the emergency period.

Except as otherwise provided in this Ordinance No. 2020-06, all other provisions of Ordinance No. 2020-03 remain in place.

SECTION 4. SEVERABILITY.

If any section, subsection, sentence, clause, phrase or word of this ordinance is found to be unconstitutional or otherwise invalid by any court of competent jurisdiction, such decision shall not affect the remaining provisions of this Ordinance.

SECTION 5. ENVIRONMENTAL REVIEW.

The City Council finds that adoption and implementation of this ordinance is not a “project” for purposes of the California Environmental Quality Act (CEQA), as that term is defined by CEQA guidelines (Guidelines) sections 15061(b)(3), and 15378(b)(5). The effect of the proposed amendment will be to maintain the status quo and extend the existing urgency ordinance for an additional month. No new development will result from the proposed action. No impact to the physical environment will result. The City Council also alternatively finds that the adoption and implementation of this ordinance is exempt from the provisions of CEQA as an administrative activity by the City of Albany, in furtherance of its police power, that will not result in any direct or indirect physical change in the environment, per sections 15061(b)(3), and 15378(b)(5) of the CEQA Guidelines, as well as CEQA Guidelines section 15064(e) (economic regulations).

SECTION 6. URGENCY DECLARATION; EFFECTIVE DATE.

The City Council finds and declares that the adoption and implementation of this ordinance is necessary for the immediate preservation and protection of the public peace, health and safety as detailed above and as the City and public would suffer potentially irreversible displacement of commercial and residential tenants resulting from evictions for failure to pay rent during the COVID-19 crisis. During this local emergency, and in the interest of protecting the public health and preventing transmission of COVID-19, it is essential to avoid unnecessary housing displacement, to protect the City’s affordable housing stock, and to prevent housed individuals from falling into homelessness during a time of abnormal economic conditions, especially given state and county directives to stay at home. Promoting stability amongst commercial tenancies is also conducive to public health, allowing businesses to follow the advice and directives of public health officials to close and allowing employees to avoid public contact during times of a public health crisis without fear of imminent eviction or foreclosure. Loss of income as a result of COVID-19 may inhibit City residents and businesses from fulfilling their financial obligations, including payment of rent. By extending the Local Eviction Moratorium Ordinance for an additional month and a half through July
28, 2020, the City Council desires to prevent uncertainty and confusion for tenants associated with multiple state and county regulations governing evictions during the COVID-19 pandemic and to provide certainty for tenants on the processes in place to repay deferred rent after the initial period of moratorium. The length of the period of federal, state and local emergency is unknown at this time and it is prudent to revisit these emergency response measures as the unprecedented situation and legal landscape evolve. The initial Urgency Ordinance is already in place and these amendments require immediate action so the ordinance does not expire. Under Government Code Section 8634 and Section 2-16 of the Albany Municipal Code, this ordinance is necessary to provide for the protection of life and property for the reasons set out herein. The Council therefore finds and determines that the immediate preservation of the public peace, health and safety, and protection of life and property, require that this Ordinance be enacted as an urgency ordinance pursuant to Government Code section 36937 and take effect immediately upon adoption by four-fifths of the City Council.

SECTION 7. CERTIFICATION.

The City Clerk shall certify to the passage and adoption of this Ordinance and shall cause the same, or the summary thereof, to be published or posted in the manner required by law.

PASSED, APPROVED AND ADOPTED this 1st day of June 2020.
