Section 17 The approval of this Resolution is exempt from the California Environmental Quality Act (CEQA). The ALS Tax Measure to be submitted to the voters is a special tax dedicated to funding paramedic, advanced life support, fire engine and ambulance service within the City. However, the funding is not committed to any specific project or service;
and any future decisions to approve particular projects or services utilizing the tax proceeds will
be subject to environmental review at the earliest feasible time prior to the point at which such
future decisions are made. As such, under CEQA Guidelines Section 15378(b)(4), this Measure
is not a project within the meaning of CEQA because it creates a government funding mechanism
that does not involve any commitment to any specific project that may result in a potentially
significant physical impact on the environment. If revenue from this Measure were used for a
purpose that would have any such effect, the City would undertake the required CEQA review for
that particular project at the earliest feasible time prior to approval of the project. Therefore, under
CEQA Guidelines Section 15060, review under CEQA is not required prior to enactment of the
Measure.

The undersigned hereby certifies that the foregoing is a full, true, and complete copy of
the Resolution duly passed and adopted by the City Council of the City of Albany at a regular
meeting thereof on the 6th day of July, 2020.
