RESOLUTION NO. 2020-94

A RESOLUTION OF THE ALBANY CITY COUNCIL AUTHORIZING
THE AWARD OF CONTRACT NO. C20-65 FOR THE LOWER SOLANO
CURB RAMPS PROJECT (CIP No. 25011)

WHEREAS, in December of 2019, the Albany City Council approved a settlement agreement to resolve injunctive relief claims made under the Americans with Disabilities Act (ADA) in two pending lawsuits; and

WHEREAS, the cases against the City (Galpern v. City of Albany and Saraswati v. City of Albany) both requested that the court issue an injunction ordering the City to make corrective repairs to its curb ramps to meet current ADA accessibility standards; and

WHEREAS, the City of Albany is a member of the “Alameda County Urban County,” and therefore receives annual allocations from the Community Development Block Grant (CDBG), administered by the U.S. Department of Housing and Urban Development (HUD); and

WHEREAS, in fiscal years 2018/19, 2019/20, and 2020/21, Council authorized a total of $571,705.50 in CDBG funding to be assigned for the Lower Solano Curb Ramps Project; and

WHEREAS, the Project consists of a complete re-design and rebuild of ten (10) curb ramps and corrective repairs on thirty-four (34) existing curb ramps, bringing all curb ramps in the Project area to current ADA accessibility standards; and
WHEREAS, on June 15, 2020, the City Council authorized staff to issue a Notice Inviting Bids for the Lower Solano Curb Ramps Project; and

WHEREAS, on August 27, 2020, the City received and opened eleven (11) bids for the above-mentioned project; and

WHEREAS, Burch Construction submitted a bid of $400,010, the apparent low bid; and

WHEREAS, City Staff and legal counsel determined Burch Construction’s bid to be non-responsive on two issues: references submitted as part of the Bidder’s Questionnaire did not relate to work performed by Burch Construction; and the individual signing the various bid forms, including the Bid Proposal, Bid Bond and Bidder’s Questionnaire is not the sole proprietor/owner of the company as indicated on the Bidder’s Questionnaire; and

WHEREAS, Villalobos & Associates is the next lowest responsible and responsive bidder, with a bid of $401,928, for the construction of the Solano ADA Curb Ramps Project.

NOW, THEREFORE, BE IT RESOLVED, that the Albany City Council hereby rejects Burch Construction’s bid for the Lower Solano Ave Curb Ramps Project as non-responsive; and

BE IT FURTHER RESOLVED, that the Albany City Council ratifies the Public Works Director’s determination that Burch Construction’s bid protest is baseless; and
BE IT FURTHER RESOLVED, that the Albany City Council authorizes Staff to spend CDBG funding assigned to the project in the amount of $571,705.50; and

BE IT FURTHER RESOLVED, that the Albany City Council hereby authorizes the City Manager to award Contract No. C20-65 to Villalobos & Associates for construction of the Lower Solano Curb Ramps Project (CIP No. 25011) in the amount of $401,928.
