RESOLUTION # 08-76  
CITY OF ALBANY  
PROCEDURES FOR CONSIDERATION OF  
DEVELOPMENT AGREEMENTS

WHEREAS, a Development Agreement is a detailed contract between a property owner and a local agency that spells out the rules of development for a particular project in very specific terms.

WHEREAS, the purpose of Development Agreements is to provide a property owner substantial assurance that its project can be completed in accordance with existing policies, rules, regulations, and conditions of approval.

WHEREAS, development agreements are adopted as a result of voluntary negotiation between the City and a property owner, and thus are not subject to state law and municipal code restrictions on the amount of required dedications of property and imposition of development fees.

WHEREAS, the Planning and Zoning Commission reviewed the proposed procedures at its meeting of November 25, 2008 and recommended to the City Council adoption of the proposed procedures.

NOW THEREFORE, BE IT RESOLVED, the City of Albany adopts the following procedures for consideration of development agreements:

1. Purpose. These Procedures are adopted in compliance with the provisions of California Government Code Sections 65864 through 65869.5.

2. Eligibility to Apply. Only a qualified applicant may file an application to enter into a development agreement. A qualified applicant is a person who has legal or equitable interest in the real property that is the subject of the development agreement. The Community Development Director may require an applicant to submit proof of the applicant’s interest in the real property and of the authority of any agent to act for the applicant. Before processing the application, the Community Development Director may obtain the opinion of the City Attorney as to the sufficiency of the applicant’s interest in the real property to enter into the agreement.

3. Application Content. The Community Development Director shall prescribe the form for each application, including with information, and data necessary to process the application, along with a processing fee as adopted by the City Council.
4. **Form of Agreement.** Each application shall be accompanied by the form of standard development agreement established by the city and approved by the council with any additional alternatives, modifications or changes proposed by the applicant. Content of the development agreement may include:

   a. The duration of the agreement;
   b. The permitted uses of the property;
   c. Development regulations applicable to the property
   d. Provisions for reservation or dedication of land for public use.
   e. Conditions, terms, restrictions and requirements for subsequent discretionary approvals consistent with the agreement.
   f. Project Start up and completion dates;
   g. Fees for the cost of processing the application;
   h. Provisions for amendment or cancellation of the agreement;
   i. Reimbursement to the City for the costs of City services provided by the City and required by the development for the term of the agreement; and
   j. Any other matters that the City determines are necessary.

5. **Hearing Notice.** The Community Development Director shall give notice of the city’s intention to consider adoption of a development agreement in conjunction with any other public hearing required by law or the Planning and Zoning Code, at least 10 days before the hearing date. The form, content, and method of providing notice shall be consistent with the requirements of the Planning and Zoning Code.

6. **Review by Planning and Zoning Commission.** After a hearing by the Planning and Zoning Commission, which may be held in conjunction with other required hearings for the project including amendments to the general plan, rezoning, subdivision maps, design review, parking exceptions, planned unit development, variances, or conditional use permits, the Planning and Zoning Commission shall make its recommendation in writing to the council.

7. **City Council Public Hearing.** Following notice as provided by Planning and Zoning Code, the council shall hold a public hearing. It may accept, modify or disapprove the recommendation of the Planning and Zoning Commission. The council shall not approve the development agreement unless it makes all of the following findings:

   a. The proposed project is in the interest of public health, safety and general welfare;
   b. The proposed project is consistent with the objectives, policies, general land uses and programs specified in the general plan, any applicable specific plans, and applicable design guidelines adopted by the City of Albany, and all applicable provisions of the Planning and Zoning Code.
   c. The proposed project is consistent with the provisions of these procedures;
   d. The proposed agreement ensures the orderly development of property or the preservation of property values; and
The proposed agreement provides sufficient benefit to the city to justify entering into the agreement.

8. Approval by Ordinance. If the council approves the development agreement, it shall do so by the adoption of an ordinance. After the ordinance approving the development agreement takes effect, the city may enter into the agreement.

9. Amendment or Cancellation. Either party may propose an amendment to, or cancellation in whole or in part, of an executed development agreement. If proposed by the developer, the procedure for proposing and adoption of an amendment to or cancellation in whole or in part of the development agreement shall be the same as the procedure for entering into an agreement in the first instance, including public notice as required by the Planning and Zoning Code. However, where the city initiates the proposed amendment to or cancellation of the development agreement, it shall first give at least 30 days notice to the property owner of its intention to initiate such proceedings in advance of the giving of public notice of hearing.

10. Recordation of Agreement, Amendment or Cancellation. Within 10 days after the city enters into the development agreement, the city clerk shall have the agreement recorded with the county recorder. If the parties to the agreement or their successors in interest amend or cancel the agreement as provided in Government Code Section 65865.1 for failure of the application to comply in good faith with the terms or conditions of the agreement, the city clerk shall likewise have record notice of such action with the county recorder.

11. Periodic Review. The city shall review the development agreement every 12 months from the date the agreement is entered into.

a. The Community Development Director shall begin the review proceeding by giving notice that the city intends to undertake a periodic review of the development agreement to the property owner. The Community Development Director shall give the notice at least 30 days before the date when the council shall consider the matter.

b. The council shall receive the Community Development Director's report at a regularly scheduled city council meeting. A public hearing may be held but is not required. At the meeting, the property owner must demonstrate good faith compliance with the terms of the agreement. The burden of proof on this issue is upon the property owner. If a public hearing is held, notice of the hearing shall be given as provided by Planning and Zoning Code.

c. The council shall determine whether the property owner has, for the period under review, complied in good faith with the terms and conditions of the agreement.

d. If the council finds and determines that the property owner has complied in good faith with the terms and conditions of the agreement during
the period under review, the review for that period is concluded. If the council finds and determines that the property owner has not complied in good faith with the terms and conditions of the agreement during the period under review, the council shall order the property owner to cure the default within 60 days. If the property owner fails to do so, the council may modify or terminate the agreement.
